WOULDN'T you prefer to read your newspaper in one of these chairs out on your lawn, in the cool shade? Or have you regarded this as a rich man's comfort, a dream of your distant future? Phone us tomorrow, or drop us a line today, and learn for how small a sum and in what amazingly short time we can give you this "millionaire's luxury" on your own lawn. You'll find the shade tree, in full leaf, planted on your grounds, at the same time that the chairs reach you from your department store! And we'll guarantee the tree to give you full measure of service for the rest of your life, or replace it free. Add a wall of green—a hedge of pine — around your grounds, in the same quick way, and you will have a new living-room—secluded, cool, delightful—for yourself and your guests, at a trifling cost. Take it up with us *tomorrow!*

ALLEN'S FOOT-EASE

The Antiseptic Powder to Shake Into Your Shoes

Don't Suffer, use Allen's Foot-Ease

And sprinkle in the Foot-Bath. One war relief committee reports, that of all the things sent out last year in their Comfort Bags or "Kits," Allen's Foot-Ease received the most praise from the soldiers. The American, British and French troops use it, because it takes the Friction from the shoe and freshens the feet. The Plattsburg Camp Manual, chapter on General Advice, states: "Every morning shake a little talcum powder or Foot-Ease in each shoe." Why not order a dozen packages to-day from your dealer to mail to your soldier friends in training camps and in the army and navy. Sold by Druggists and Dept. stores everywhere, 25 cts.

Excessive perspiration has no place in your quest for daintiness. Three applications of Odorono a week will bring you relief. - - - Used and endorsed by leading physicians
