In A Million Right Hands

THE moment you own Eversharp, your pencil troubles cease—absolutely, positively, certainly, everlastingly. New Yorkers have been quick to realize this as evidenced by the fact that Eversharp is now the trusty right-hand friend of over a million writers, with thousands of new friends being added daily.

Always sharp—never sharpened—no more whittling. Enough lead for a quarter million words, and a clean-cut point for every syllable, every letter, every dash, every dot—that's Eversharp.

And what a beauty Eversharp is! A jeweler craftsman had a hand in that. Eversharp lends added grace to any writing hand. And its work fully matches its good looks. You're always proud and glad to have Eversharp along.

There's a built-in pocket clip, and a useful out-of-sight eraser. Twenty-five cents replenishes the lead supply at long intervals, enough for another quarter million words. Ten thousand words one cent!

Sooner or later you're coming to Eversharp for downright writing comfort, economy and efficiency. Make it "sooner." Eversharp is made in various styles and sizes—for chain, pocket, or lady's handbag.

Go to your dealer and get your Eversharp now. Prices start as low as $1 at dealers everywhere. Until you do that you will not know the joy of supreme writing comfort.

The Best Way to Use Rouge

A specialist has invented a new kind of rouge. The rouge is inside the puff. All you do is to rub the puff on your face. It comes through the puff just as you need it. It goes on wonderfully well and stays on the face until you wash it off. The puff is put up in a dainty metal box. The box cannot break and the rouge will not crumble like the old-fashioned kind. This newly invented rouge is called La-may (French, Rouge L'Amé). It gives a beautiful color that looks natural under the strongest light. There are two colors—medium and dark. The fifty-cent package will last for months, yet the package is small enough to fit the purse. Because La-may Rouge is such a new invention, your druggist may not have it yet, but he can easily get it. Tell him to order a package for you. When you use this new Rouge and see how much more convenient it is and how much better it stays on, you will understand why thousands of women say it is the best they have ever used. Out-of-town readers may order by mail from Herbert Roystone, 16 E. 18th St., New York.
