# *Now comes new knit underwear*
*Made with all their skill and care by Kayser, the originators of "Italian" Silk Underwear and Silk Gloves*

SO different from the knit cotton and lisle union suits you have known—this adorable suit, daintily ribboned!

When Kayser set about making knit underthings for women, they went right to the bottom of things—even to the kind of yarn used for the knitting. Combed cotton entirely—the softest, the whitest—makes Kayser Knit Underwear a little lovelier than ordinary knit underwear.

That is why special attention is given to its finishing—why every garment is laundered and pressed before you buy it, so it is white, soft—not prickly and fuzzy!

After this, much is naturally expected of a Kayser Knit Union Suit when it comes to comfort.

And you are not disappointed! Because it is made in a special way so it will fit perfectly.

Kayser cuts each garment from a shaped pattern—one at a time. Fits them so that every woman can find her size. Measures them again before sending them out. Inspects them again and again—every step according to the high Kayser standard!

Go today to your department store and get the saleswoman to show you a Kayser Knit Union Suit or Vest in your size. See the finish, the softness, the beauty of it! JULIUS KAYSER & CO., New York City.
