Follow measurement instructions and either way will prove satisfactory.

PARKER'S METHOD OF HAIR TREATMENT

and HERBEX HAIR TONICS maintain HEALTHY HAIR and Correct Unnatural Hair and Scalp Conditions.

They assist Nature in restoring normal, healthy conditions by stimulating and revitalizing the hair growing processes. Forty years' test has demonstrated their efficacy; many thousand patrons testify to their beneficial value. Healthy hair needs attention. Incipient hair and scalp disorders grow worse by neglect.

Give Yourself

a New Year's gift—do yourself and your home a good turn—at the turn of the year—by purchasing one of the sensationally new and revolutionary CURTIS Art Lamps that will give your living-room a glory and a splendor that it never knew before—thanks to the concealed X-Ray reflector that bathes the entire room with its soft, luxurious, alluring light. Certainly this poor, cold-type "ad." can do no justice to it—come in and see and drink in its mellow, glowing beauty—and then by a simple act transfer it to your own castle. Home, at night, will have a new charm and meaning to you from the red-letter day when you install this magical lamp. (The cost won't worry you.) Come in and at least investigate (or write right away for illustrated booklet, "The Lighting of the Home.") (P. S.—When you're here, we'll show you a complete line of indirect lighting fixtures for the home.)
