HELP WANTED—FEMALES.

A.—A.—
THE McDOWELL FRENCH
DRESS-CUTTING ACADEMY,
6 WEST 14TH ST., NEW YORK.
WE HAVE THE LARGEST AND BEST DRESSMAKING SCHOOLS IN THE WORLD. OUR ACADEMY is decidedly the best place in the city to learn the entire ART OF FRENCH DRESSMAKING. We have a department to teach sewing, one to teach how to finish dresses and another to teach how to cut garments. The McDowell system is acknowledged by the best cutters and judge at World's Fair to be the only improvement on the Tailor's square and the simplest and best method of cutting in existence. Excels all others in cutting stylish, graceful and perfect fitting garments. Positively no refitting, which we prove. Always leads. Awarded the GRAND PRIZE and GOLD MEDAL OVER ALL other SYSTEMS at the ATLANTA EXPOSITION. Used in Hilton, Hughes & Co.'s establishment and in most of the leading houses. Good positions for competent persons. Test waists cut, and 6 trial lessons before you buy. Fashion plate and circular free. The McDowell Co., 6 West 14th st., New York City.

Clearing House Magnates Meet and Propose a New Form of Giving Out Statistical News.

"Bank Clearing Houses; their methods and their place and influence in the system of finance," was the subject of the addresses and discussion yesterday at the quarterly meeting of Group No. 9, of the New York State Bankers' Association, at the new Clearing House, in this city. The group includes the State and national banks of this city. The meeting was called to order about 3 p. m. by Chairman A. P. Hepburn, president of the Third National Bank. He detailed the basic principles and the usefulness of the Clearing House and the reasons that caused its establishment.

Others who made addresses were George Ripley, president of the Boston Clearing House; President James V. Watson, of the Clearing House in Philadelphia; Chairman I. G. Lombard, of the Chicago Clearing House, and Charles C. Homer, of the like institution in Baltimore.

Upon motion of Chairman Hepburn the following resolution was unanimously adopted:

Whereas, There is at present considerable diversity in methods of reporting the daily exchanges by the various clearing houses in the United States; and,

Whereas, The necessity of exact statistical data as a basis of intelligent discussion of the movements of trade as
