DEPARTMENT STORE ADVERTISING MANAGER.

An efficient executive who knows the goods and the art of presenting their meritorious qualities intelligently, attractively and persuasively.

Now in full charge of the advertising and mail order departments of a store doing considerable over $8,000,000 a year on a 2% appropriation.

My methods of determining the approximate value of newspapers and the most productive style and appeal of copy have saved my present employers thousands of dollars.

Let me prove my ability as an expert in the construction and preparation of newspaper advertisements, booklet work, letters and all forms of printed salesmanship, also as an originator of successful ideas for building up the business of individual departments.

If you have an opening for an advertising manager, who measures up to top-notch standards mentally, who has made good in three large stores, and who is capable of assuming the responsibilities of a multi-million business, address
