|-----------|---|
| CA-65-G-1 | General view of front facade, looking south. Note the riverstone foundations and the rock-lined packed dirt walk.   |
| CA-65-G-2 | Perspective view, looking southeast. The portion of the bungalow on the left is the original building as constructed in 1917. The portion to the right (center of this view) with the cross gable roof was added in 1929. |
| CA-65-G-3 | West elevation, looking east.   |
| CA-65-G-4 | Perspective view, looking northwest.  |
