Garage.

Significance:

Rooney Ranch, one of the oldest ranches in Jefferson County, Colorado, is significant for its local historical associations and for the high quality of masonry construction exhibited in its principal structures.

The significance of the ranch to the historical and architectural development of Jefferson County was recognized in 1975 when the site was listed on the National Register of Historic Places. Rooney Ranch was designated a Jefferson County Landmark the following year.

Garage No. 2 is a three car garage constructed in 1945 at the same time as the duplex. The building is constructed of poured concrete and is faced with uncoursed sandstone veneer. The structure terminates in a gable roof. Eave lines are marked by simple board cornices and aluminum gutters.
