Pearl Harbor
Honolulu County
Hawaii

David Franzen, Photographer

January 2009

Photographs numbered 1 through 3 for this facility were previously transmitted to the Library of Congress as part of a separate report, HABS No. HI-206 (December 1994).

The Record Name of this facility reflects the historic name and not the name by which it was known when first recorded. This facility was referred to as a Mine School from the time it was built in 1942 until at least 1948.
