

# HISTORIC AMERICAN ENGINEERING RECORD

## INDEX TO PHOTOGRAPHS

KA'ENA POINT SATELLITE TRACKING STATION,  
BUILDING 20  
(Warehouse Supplies and Equipment Base)  
Ka'ena Point, Wai'anae Mountains above Keawaula Bay  
Waialua  
Honolulu County  
Hawaii

HAER HI-97-A

## INDEX TO BLACK AND WHITE PHOTOGRAPHS

Robert Tucher, photographer, June 2011

- |           |   |
|-----------|---|
| HI-97-A-1 | View to northwest from the roof of building 10, showing buildings 20 (left) and 14111 in context.                                   |
| HI-97-A-2 | View to northeast showing buildings 20, 14111, and 21 in context.   |
| HI-97-A-3 | View to northwest from the roof of building 20, showing its association high above the pacific ocean.                               |
| HI-97-A-4 | East front elevation of building 20, view looking west (scale to right of entrance bay).  |
| HI-97-A-5 | View to the southwest of building 20 east front and north elevations.   |
| HI-97-A-6 | View to the northeast of building 20 south and west elevations.   |
| HI-97-A-7 | View to northeast showing the roof of building 20 and antenna support, and the building's association with buildings 14111, and 21. |
| HI-97-A-8 | View to north within building 20 central main room (room 102).  |
| HI-97-A-9 | View to southwest within building 20 north room (room 102B).  |

KA'ENA POINT SATELLITE TRACKING STATION,  
HAER HI-97-A  
INDEX TO PHOTOGRAPHS

- HI-97-A-10                      Photocopy of Architectural Drawing, "Department of the air force, air force ballistic missile division, phase II facilities, test tracking station, Ka'ena point, territory of Hawai'i, angle tracking and UHF Telemetry receiver building, floor and roof plans, building #20, July 30, 1958. Sheet 1430 - IF, A - 3." Original stored at the Ka'ena Satellite Tracking Station, Oahu, Hawai'i.
- HI-97-A-11                      Photocopy of Architectural Drawing. "Department of the air force, air force ballistic missile division, phase II facilities, test tracking station, Ka'ena point, territory of Hawai'i, angle tracking and UHF telemetry receiver building, elevations and section, building #20, July 30, 1958. Sheet 1430 - IF, A -4." Original stored at the Ka'ena Satellite tracking station, Oahu, Hawai'i.
- HI-97-A-12                      Photocopy of Architectural Drawing. "Department of the air force, air force ballistic missile division, Phase II facilities, test tracking station. Ka'ena point, territory of Hawai'i, angle tracking and UHF telemetry receiver building, roof framing plan and sections, building #20, July 30 1958. Sheet 1430 - IF, S - 5." Original stored at the Ka'ena Satelliite tracking station, Oahu, Hawi'i.
- HI-97-A-13                      Photocopy of Architectural Drawing, "Department of the air force, space systems division (AFSC), Los Angeles California, satellite control facility, fire protection project, Kaena point satellite tracking station (AFSCF - KPSTS) Oahu, Hawaii, additive KPSTS - 2, angle track and VHF receiver building No. 20, 4/24/1967, KP-14, AW 70-03-01, sheet 15." Original stored at the Ka'ena satellite tracking station, Oahu, Hawai'i.
