INDEX TO BLACK AND WHITE PHOTOGRAPHS

Walter Smalling, Jr., photographer

- MD-1-1 General view looking north toward the Washington Monument; visible on either side of South Washington Place are the Hackerman House (now part of the Walters Art Museum) on the west and the Peabody Institute on the east, facing West Mount Vernon Place (northwest corner of the monument circle) are the Washington Apartments, and facing East Mount Place (northeast corner of the monument circle) is the Mount Vernon Methodist Church.
- MD-1-2 General view looking east from the top of the Peabody Hotel
- MD-1-3 View looking north to the base of the monument; view includes the (1924) Lafayette Statue, a memorial to the French and American soldiers who died in World War I, and the Methodist Church
- MD-1-4 Detail view of the balustrade behind the Lafayette Statue and the base of the monument behind
- MD-1-5 View looking east along the balustrade and walkway behind the Lafayette Statue; view looks to the Peabody Institute
- MD-1-6 View looking across South Washington Place to the west elevation of the Peabody Institute; view includes the Lafayette Statue
- MD-1-7 Perspective view looking northwest to the Lafayette Statue; view includes the Hackerman House at No. 1 West Mount Place and the early twentieth-century Washington Apartment building
- MD-1-8 Elevation view of the fountain in South Washington Place, below the statue
- MD-1-9 Perspective view of the fountain and staircase in South Washington Place
- MD-1-10 Perspective view looking northwest across the south end of South Washington Place; view includes the east elevation of the Walters Art Museum and the south balustrade
- MD-1-11 View looking southwest across the north end of South Washington Place to the Walters Art Museum
- MD-1-12 View looking south from the vicinity of the Lafayette Statue in South Washington Place down the central walkway to the back of the fountain

- MD-1-13 View looking northeast from the vicinity of the Lafayette Statue; view includes the balustrade and steps of the plaza area around the statue and the Methodist church across Mount Vernon Place
- MD-1-14 View looking to the top of the monument; also visible is the steeple of the Methodist Church
- MD-1-15 View looking north along walkway and balustrade at the west end of East Mount Vernon Place; at the south end of the balustrade is one of four statues designed by Antoine Louis-Barye and donated to the city by William Walters
- MD-1-16 Detail view showing the statue "Order" at the south end of the balustrade
- MD-1-17 General view looking northeast down the north street side of East Mount Vernon Place; view includes the Methodist church, Ashbury House and brownstone row
- MD-1-18 Detail view showing the statue "Force" at the north end of the balustrade at the west end of East Mount Vernon Place
- MD-1-19 Perspective view looking northeast at the north street side of East Mount Place; view includes the statue "Force"
- MD-1-20 View in East Mount Vernon Place looking north northeast; view includes the statue of George Peabody and has the Ashbury House and brownstone row in the background
- MD-1-21 Detail view showing the statue of George Peabody; the Peabody Institute is in the background
- MD-1-22 View of the east end of East Mount Vernon Place and the statue of Severn Teackle Wallis
- MD-1-23 View looking west in East Mount Vernon Place; view includes the Naiad fountain by Grace Turnbull
- MD-1-24 Perspective view of the Naiad fountain in East Mount Vernon Place
- MD-1-25 Detail view of the sea nymph sculpture (Naiad) in the fountain in East Mount Vernon Place
- MD-1-26 View looking southeast across the fountain and East Mount Vernon Place; the Peabody Institute is in the background
- MD-1-27 Elevation view of the rowhouse facades on the south side of East Mount Vernon Place; the facades of the rowhouses were incorporated into an expansion of the Peabody Institute in the twentieth century
- MD-1-28 Perspective view looking northeast to the north street side of West Mount Vernon Place; view includes the statue "Military Courage" by Paul Dubois
- MD-1-29 View looking west along the north street side of West Mount Vernon Place, beginning at No. 12 West Vernon Place
- MD-1-30 Perspective view at street level of No. 14 West Mount Place
- MD-1-31 Detail of the entrance to No. 14 West Mount Place
- MD-1-32 Detail of the ornamental carving over the door to No. 14 West Mount Place

- MD-1-33 View looking east in West Mount Vernon Place
- MD-1-34 Detail view showing the statue "Military Courage"
- MD-1-35 View looking east in West Mount Vernon Place to show the fountain
- MD-1-36 View looking east along the south side walkway in West Mount Vernon Place
- MD-1-37 Detail view showing an urn (and the fountain behind) in West Mount Place
- MD-1-38 View looking to the southwest corner of West Mount Place anchored by the Hackerman House
- MD-1-39 View looking south along the balustrade at the east end of West Mount Place; view includes the statue "Peace" and the Hackerman House
- MD-1-40 Perspective view looking southwest from monument circle to the Hackerman House and the south street side of West Mount Vernon Place
- MD-1-41 Detail view of the entrance to the Hackerman House; note the decorative ironwork at the windows as well as the ornamental window lintels that are supported by console brackets and topped by scrollwork
