Structure Twohig, John, House (TEX-31)

Witte Museum, 3801 Broadway, Brackenridge Park. Limestone ashlar, four-bay front, hip roof. The home of an Irish-born Texas patriot, suffering imprisonment by Mexican captors in 1842, but living to become a successful banker before his death in 1891. The house was moved in 1941 to the Museum and extensively restored. 4 ext. photos (1936); 1 data page (1936).

Card prepared July 1975.
