### **SUGAR LUMP**

All around this ring we go, all around my sugar lump, Some body's rocking my sugar lump,  
Som body's rocking my sugar lump O turn cinamon turn.

That blue eyed girl is my sugar lump — That blue eyed girl is my sugar lump — O Turn  
cinamon turn.

I wouldn't take a dollar for my sugar lump — Its worth five cents to my sugar lump — I  
wouldn't give a nickle for my sugar lump —
