Dear Allan,

Here we are way out in Columbia Calif. an old gold mining town. I guess we will be here for a week or two. Sure enjoyed our stay at The Tower and hope everyone there is Ok. Tell them hello for us.

Allan, I have desided to put the works to the man for using printing the Tom Joad song. If you know what to do first since I'm not there I wish you would see about it for for me. Do all you can and write me all about it. Hope everything is going smooth on Back Where I Come From. Write us at Columbia Calif. Gen. Del.

Take it easy

Woody
