

## July 28, 1943, letter from B.A. Botkin to Willis Laurence James

**July 28, 1943 Dr. Willis Laurence James Fort Valley State College Fort Valley, Georgia**

Dear Dr. James:

I have just received your wire requesting additional disks. We are sending you 25 by air express this afternoon. Let me remind you that Lewis Jones received 50 disks, the full quota provided for in our original budget and only 8 of these were returned to us out. For our records, we must know what happened to the remaining disks.

With best wishes,

Sincerely yours, B. A. Botkin Assistant in Charge Archive of American Folk Song

P.S. I think that the project was extended to cover the Festival, so I assume that you will wind it up by the end of August.
