SECTION 4

Miscellaneous Rules and Forms

Rule 14 cancels rule 14, pages 6 and 7 of Tariff Circular MP No. 21

Rule 14, Applicants for Special Permission

(a) The Motor Carrier Act, 1935, authorizes the Commission in its discretion and for good cause shown to permit changes in fares and charges on less than statutory notice,

and also to permit departure from the Commission's regulations. The Commission will exercise this authority only in cases where actual emergency and real merit are shown. Desire to meet the fares and charges of a competing carrier that has given statutory notice of change in fares and charges will not of itself be regarded as good cause for permitting changes in fares and charges or other provisions on less than statutory notice. Clerical or typographical errors in tariffs constitute good cause for the exercise of this authority, but every application based thereon must plainly specify the error together with a full statement of the attending circumstances and must be presented with reasonable promptness after issuance of the defective tariff, supplement, or revised page.

(b) When a formal order of the Commission requires publication on a stated number of days' notice, a request addressed to the Bureau of Motor Carriers for authority to file on less notice will not be granted. In any such instance a petition for modification of the order should be filed on the formal docket.

(c) Applications for permission to establish fares, charges, rules, or other provisions on less than statutory notice, or for waiver of the provisions of this tariff circular must be made by the carrier or agent that holds authority to file the proposed publication. If the application requests permission to make changes in joint tariffs, it must state that it is filed for and on behalf of all carriers parties to the proposed change.

(d) Two copies of applications (including amendments thereto and exhibits made a part thereof) shall be addressed to the Interstate Commerce Commission, Bureau of Motor Carriers, Washington, D. C. An additional exact copy shall be addressed to the office of the District Director, Bureau of Motor Carriers, Interstate Commerce Commission, of the district in which the main office of the applicant carrier or publishing agent is located. The application shall indicate that an exact copy including exhibits has been furnished the district office.

Applications shall be made on paper 8 by 10½ inches, shall be in substantially the form shown hereinbelow, and shall give all the information required by this rule together with any other pertinent facts. They shall be numbered consecutively and must bear the signature of the carrier or its agent or officer, specifying title.

IN THE MATTER OF AN OFFERING SHEET OF LANDOWNERS' ROYALTY INTERESTS IN THE MAGNOLIA-METROPOLITAN LIFE TRACTS, FILED ON JULY 20, 1936, BY CONTINENTAL INVESTMENT CORPORATION, RESPONDENT

PERMANENT SUSPENSION ORDER

The Securities and Exchange Commission initiated this proceeding pursuant to the provisions of Rule 340 of the General Rules and Regulations promulgated by the Commission under the Securities Act of 1933, as amended, to determine whether or not an order should be entered suspending the effectiveness of the filing of an offering sheet of landowners' royalty interests in the Magnolia-Metropolitan Life Tracts, located in Pontotoc County, Oklahoma, which offering sheet was filed with the Commission on July 20, 1936, by Continental Investment Corporation of Tulsa, Oklahoma, the respondent herein.

This matter having come on regularly for hearing before the Commission at Washington, D. C., on August 24 and 25, 1936, and due notice thereof having been given to the said respondent, and said respondent having failed to appear,

and evidence both oral and documentary having been introduced, and the hearing having been closed, and the Commission having found upon the evidence that said offering sheet is incomplete and omits to state material facts required to be stated therein and fails to comply with certain material requirements of the Rules and Regulations of the Commission, all as more fully set forth in the findings and opinion of the Commission filed in this proceeding, and it appearing appropriate in the public interest so to do;

It is ordered, pursuant to Rule 340 (b) of the Commission's General Rules and Regulations promulgated under the Securities Act of 1933, as amended, that the effectiveness of the filing of said offering sheet be and same hereby is permanently suspended.

IN THE MATTER OF AN OFFERING SHEET OF A ROYALTY INTEREST IN THE STANOLIND-ALMERADA-BIERSCHERIK FARM, FILED ON NOVEMBER 27, 1936, BY S. LEROY ESTES, RESPONDENT

SUSPENSION ORDER, ORDER FOR HEARING (UNDER RULE 340 (A)), AND ORDER DESIGNATING TRIAL EXAMINER

The Securities and Exchange Commission, having reasonable grounds to believe, and therefore alleging, that the offering sheet described in the title hereof and filed by the respondent named therein is incomplete or inaccurate in the following material respects, to wit:

1. In that Item 7 of Division II represents that the Wilcox will be possibly productive on the tract involved at an approximate depth of 6,650'. Item 8 of Division II shows this said tract found on other tracts therein named at a greater depth. Geological data shows the tract involved to be structurally lower than on these other leases;

It is ordered, pursuant to Rule 340 (a) of the Commission's General Rules and Regulations under the Securities Act of 1933, as amended, that the effectiveness of the filing of said offering sheet be, and hereby is, suspended until the 2nd day of January 1937 that an opportunity for hearing be given to the said respondent for the purpose of determining the material completeness or accuracy of the said offering sheet in the respects in which it is herein alleged to be incomplete or inaccurate, and whether the said order of suspension shall be revoked or continued; and

It is further ordered, that Robert P. Reeder, an officer of the Commission, be, and hereby is, designated as trial examiner to preside at such hearing, to continue or adjourn the said hearing from time to time, to administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, consider any amendments to said offering sheet as may be filed prior to the conclusion of the hearing, and require the production of any books, papers, correspondence, memoranda, or other records deemed relevant or material to the inquiry, and to perform all other duties in connection therewith authorized by law; and

It is further ordered, that the taking of testimony in this proceeding commence on the 17th day of December 1936 at 2:00 o'clock in the afternoon, at the office of the Securities and Exchange Commission, 18th Street and Pennsylvania Avenue, Washington, D. C., and continue thereafter at such times and places as said examiner may designate.

Upon the completion of testimony in this matter the examiner is directed to close the hearing and make his report to the Commission.

SUSPENSION ORDER, ORDER FOR HEARING (UNDER RULE 340 (A)), AND ORDER DESIGNATING TRIAL EXAMINER

The Securities and Exchange Commission, having reasonable grounds to believe, and therefore alleging, that the offering sheet described in the title hereof and filed by the respondent named therein is incomplete or inaccurate in the following material respects, to wit:

(1) In that on Exhibit A the plat shows the tract involved to be in section 26. The description at the top of the page says it is in section 20. Exhibit B describes the tract in section 20.

(2) In that the estimation of recoverable oil in Division III fails to take into consideration the shrinkage of oil due to reduction in temperature and the liberation of dissolved gas in the Hunton Lime, Viola Lime, or Bromide formations.

(3) In that the use of a porosity factor of 10% in the Hunton Lime and Viola Lime in combination with a recovery factor of 50% in the estimation of recoverable oil in Division III is contrary to the result of well-known laboratory experiments.

(4) In that insufficient data is given to warrant the statement that the tract is or is likely to be productive in the Bromide.

It is ordered, pursuant to Rule 340 (a) of the Commission's General Rules and Regulations under the Securities Act of 1933, as amended, that the effectiveness of the filing of said offering sheet be, and hereby is, suspended until the 2nd day of January 1937; that an opportunity for hearing be given to the said respondent for the purpose of determining the material completeness or accuracy of the said offering sheet in the respects in which it is herein alleged to be incomplete or inaccurate, and whether the said order of suspension shall be revoked or continued; and

It is further ordered, that Robert P. Reeder, an officer of the Commission, be, and hereby is, designated as trial examiner to preside at such hearing, to continue or adjourn the said hearing from time to time, to administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, consider any amendments to said offering sheet as may be filed prior to the conclusion of the hearing, and require the production of any books, papers, correspondence, memoranda, or other records deemed relevant or material to the inquiry; and to perform all other duties in connection therewith authorized by law; and
