PART 1010—SUSPENSION ORDERS

[Suspension Order S-708]

HINGECO VANITIES, INC.

Hingeco Vanities, Inc., 12 Addison Place, Providence, Rhode Island, is engaged in the manufacture of jewelry and other silver products. Hingeco Vanities, Inc., exceeded its silver quota allowance for the quota period from February 25, 1943, to June 30, 1943; for the quota period comprising the fourth quarter of 1943; and for the quota period comprising the first quarter of 1944. It also purchased, received, and put into process an additional amount of silver in the approximate amount of 181,914 ounces between February 19, 1943, and November 24, 1943, for uses not permitted by Conservation Order M-199. It also has failed to keep and preserve accurate and complete records of its inventory of silver. It has also made false and misleading statements to the War Production Board on Form WPB-1855 and failed to file WPB Form 3707 on or before July 15, 1944. These violations of War Production Board Order M-199 were wilful except that the failure to file WPB Form 3707 was grossly negligent.

These violations of Order M-199 have diverted critical materials to uses not authorized by the War Production Board and have impeded the war effort of the United States. In view of the foregoing, it is hereby ordered, that:

§ 1010.708 *Suspension Order No. S-708.* (a) Hingeco Vanities, Inc., shall not, during the year 1945, after the effective date hereof, purchase, accept delivery of, or put into process any silver for use in items on List B of Order M-199.

(b) The above limitation shall not be applicable to silver put into process pursuant to any toll agreement, provided Hingeco Vanities, Inc., receives from the party supplying the toll silver a written statement to the effect that he has an available quota allowance under Order M-199 and that he has charged his said quota allowance with the amount of silver being supplied to Hingeco Vanities, Inc., on toll agreement and provided further that Hingeco Vanities, Inc., has no reason to believe that such statement is not true.

(c) The restrictions and prohibitions contained herein shall apply to Hingeco Vanities, Inc., its successors or assigns, or persons acting on its behalf. Prohibitions against the taking of any action include the taking indirectly as well as directly of any such action.

(d) Nothing contained in this order shall be deemed to relieve Hingeco Vanities, Inc., from any restriction, prohibition, or provision contained in any other order or regulation of the War Production Board except insofar as the same

may be inconsistent with the provisions hereof.

(e) This order shall take effect on February 13, 1945, and shall remain in effect until December 31, 1945.

Issued this 6th day of February 1945.

PART 1010—SUSPENSION ORDERS

[Suspension Order S-710]

WILLIS W. COLLINS

Willis W. Collins of 310 N. Three Notch Street, Troy, Alabama, in March, 1944, began construction of a building on property owned by Harold Liger at Shoats Place near Troy, Alabama, without authorization from the War Production Board. The estimated cost of this construction was in excess of \$5500, which amount exceeded the limit of \$200 permitted by Conservation Order L-41 and was in violation of that order. Willis W. Collins is engaged in the contracting business and was aware of War Production Board restrictions on construction, and his actions in this matter constituted a wilful violation of Conservation Order L-41.

This violation has diverted critical materials to uses unauthorized by the War Production Board. In view of the foregoing, it is hereby ordered, that:

§ 1010.710 *Suspension Order No. S-710.* (a) During the period of three months from February 13, 1945, to May 13, 1945, neither Willis W. Collins, his successors or assigns, nor any other person in his behalf, shall apply or extend any preference ratings or use any CMP allotment symbols, regardless of the delivery date named in any purchase order to which such ratings may be applied or extended or on which CMP allotment symbols are used.

(b) Neither Willis W. Collins, his successors or assigns, nor any other person in his behalf, shall do any construction on the premises owned by Harold Liger at Shoats Place near Troy, Alabama, unless hereafter specifically authorized in writing by the War Production Board.

(c) Nothing contained in this order shall be deemed to relieve Willis W. Collins, his successors or assigns, from any restriction, prohibition or provision contained in any other order or regulation of the War Production Board, except insofar as the same may be inconsistent with the provisions hereof.

Issued this 6th day of February 1945.

PART 1029—FARM MACHINERY

[Limitation Order L-267 as Amended Aug. 31, 1944, Amdt. 4]

Section 1029.15 *Limitation Order L-267*, paragraph (c) (2) (iii), is amended

by changing the last item on the list to read as follows:

Any item requiring tires to be mounted on wheel rims of the following sizes (diameter) 15" 16" 18" 20" and 21" However, no producer may acquire automotive-type tires for the purpose of mounting on any such item, nor may he use automotive-type tires for this purpose unless they were in his inventory or in transit to him on or before January 16, 1945.

§ 3285.3 *Limitation Order L-150-a—* (a) *Definitions.* For the purpose of this order:

(1) "Producer" means any person engaged in the manufacture of softwood plywood. It does not include any part of a person's operation which would also make him a "distributor."

(2) "Softwood plywood" means a built-up board of laminated veneers containing any species of softwood united with a bonding agent. The term does not include the following items of softwood plywood, the surface of which does not measure more than eight square feet: strips, odd sizes, and scrap resulting from the processing for use of standard panels.

(3) "Distributor" means any wholesaler, jobber, retailer or other person who in the regular course of his business sells softwood plywood.

(c) *Distributors certificates in extending orders.* If a distributor has delivered or has agreed to deliver softwood plywood on an order of his customer which is rated AA-2X or higher and the distributor wishes to extend that order to another distributor he may use the certification described in Priorities Regulation 3 or the standard certificate described in Priorities Regulation 7 for that purpose. (d) *MRO ratings may not be used to get softwood plywood.* No person may use a blanket MRO rating as defined in Priorities Regulation 3 (which includes ratings bearing the MRO symbol) to get softwood plywood. No distributor in selling softwood plywood may give any effect to a rating which he knows or has reason to believe is a blanket MRO rating.

(e) *Application for rating to purchase softwood plywood for use as maintenance, repair or operating supplies.* Application may be made to the appropriate WPB Field Office on Form WPB-541 for a rating to purchase softwood plywood from a distributor for use as maintenance, repair, or operating supplies. (f) *Appeals.* Any appeal by a producer or distributor from the provisions of paragraph (b) of this order shall be filed in triplicate on Form WPB-1477 with the appropriate WPB Field Office, referring to the particular provisions appealed from and stating fully the grounds of the appeal. Regardless of the provisions of Priorities Regulation 16 no statement with respect to manpower information on Form WPB-3820 (or letter explaining why that form is not filed) need accompany an appeal.

(g) *Communications.* Communications concerning this order, shall, unless otherwise directed, be addressed to War Production Board, Lumber and Lumber Products Division, Washington 25, D. C., Ref.. L-150-a.

(h) *Violations.* Any person who willfully violates any provision of this order or who, in connection with this order, willfully conceals a material fact or furnishes false information to any department or agency of the United States is guilty of a crime, and upon conviction may be punished by fine or imprisonment or both. [Gen. Order ODT 49]

PART 501—CONSERVATION OF MOTOR EQUIPMENT

MOTOR TRUCKS IN PUERTO RICO

General outline. This General Order ODT 49 restricts the conversion of motor trucks (trucks, truck-tractors, trailers and semi-trailers, or chassis therefor) within the Island of Puerto Rico on and after March 1, 1945.

Under the terms of this order no person may convert a motor truck to any other type of conveyance, remodel, or otherwise alter the character of a motor truck in any manner so as to render it unavailable, unfit, or inadequate for use in the transportation of property without prior approval of the Office of De-

fense Transportation, and the operation of any motor truck so converted, remodeled, or altered after the effective date of this order without such prior approval is prohibited.

Approval of the Office of Defense Transportation will be given, in whole or in part, when it is determined that the proposed conversion, remodeling, or alteration, to the extent of the approval, will be consistent with existing orders and publicly declared policies of the Office of Defense Transportation, will not adversely affect the successful prosecution of the war or the maintenance of essential civilian economy, and will not unduly impede the successful operation of any conservation plan or program approved by the Office of Defense Transportation.

An application for approval should be filed by the owner of the vehicle with the regional director of the Office of Defense Transportation, San Juan, Puerto Rico, unless the applicant is directed to file the application with some other office of the Office of Defense Transportation. The contents of such an application are prescribed in the order, and the procedure for handling an application in Puerto Rico is set forth. Authority to approve an application, in whole or in part, or to disapprove it, is vested in the Regional Director, Division of Puerto Rican Transport, Office of Defense Transportation. An adverse decision by the regional director is subject to review by the Director of the Division of Puerto Rican Transport, Office of Defense Transportation, upon an appeal, in writing, filed by the applicant within 15 days after the date of service of the decision of the regional director upon the applicant.

This order does not apply to motor trucks operated by the military or naval forces of the United States.

This general outline shall not be construed to alter the meaning of any provision contained in the order.

The text of General Order ODT 49 follows:

Pursuant to Title III of the Second War Powers Act, 1942, as amended, Executive Orders 8989, as amended, 9156, 9214, and 9294, and War Production Board Directives 21 and 36, as amended, and in order to conserve and providently utilize vital property transport motor equipment; and to provide for the prompt and continuous movement of necessary traffic, the attainment of which purposes is essential to the successful prosecution of the war; and being satisfied that the fulfillment of the requirements for the defense of the United States has resulted and will result in a shortage in the supply of property transport motor equipment and facilities for defense, and for private account, and for export, and it being deemed necessary in the public interest and to promote the national defense, *It is hereby ordered, That:*

SECURITIES AND EXCHANGE COMMISSION.

[File No. 70-1025]

NORTH AMERICAN CO.

NOTICE REGARDING FILING

At a regular session of the Securities and Exchange Commission, held at its office in the City of Philadelphia, Pa., on the 10th day of February, A. D. 1945.

Notice is hereby given that a declaration or application (or both) has been filed with this Commission pursuant to the Public Utility Holding Company Act of 1935 by The North American Company, a registered holding company.

Notice is further given that any interested person may, not later than February 23, 1945, at 5:30 p. m., e. w. t., request the Commission in writing that a hearing be held on such matter, stating the reasons for such request and the nature of his interest, or may request that he be notified if the Commission should order a hearing thereon. At any time thereafter, said declaration or application, as filed or as amended, may be granted, as provided in Rule U-23 of the rules and regulations promulgated pursuant to said act, or the Commission may exempt such transaction as provided in Rules U-20 (a) and U-100 thereof. Any such request should be addressed: Secretary, Securities and Exchange Commission, 18th and Locust Streets, Philadelphia 3, Pennsylvania.

All interested persons are referred to said declaration or application, which is on file in the office of the said Commission, for a statement of the transactions therein proposed, which are summarized below.

The North American Company proposes to pay on April 2, 1945, a dividend to its holders of common stock of record on March 2, 1945. Such dividend will

be payable in the common stock of Pacific Gas and Electric Company having a par value of \$25 per share, owned by The North American Company, at the rate of one share of common stock of Pacific Gas and Electric Company on each 100 shares of the common stock of The North American Company outstanding. No certificates will be issued for fractions of shares of stock of Pacific Gas and Electric Company but, in lieu thereof, cash will be paid at the rate of 36 cents for each $\frac{1}{100}$ th of a share of stock of Pacific Gas and Electric Company, this rate being based on the approximate market price as of February 6, 1945, the date the proposed dividend was declared. The North American Company estimates that the payment of the above-mentioned dividend will involve the distribution of not more than 75,000 shares of the 1,493,620 shares of common stock of Pacific Gas and Electric Company owned by it and use of not more than \$470,000 of cash; and that the payment of such dividend will result in a charge of approximately \$2,870,000 to earned surplus.

The North American Company also seeks approval of the Commission with respect to the modification of its loan agreement, dated August 3, 1943, by a supplemental agreement dated February 6, 1945 which would permit the distribution as dividends of an additional 290,000 shares of Pacific Gas and Electric Company Common Stock without impairing certain obligations of the holders of the notes issued under said loan agreement, dated August 3, 1943.

The North American Company has requested that the Commission enter an order permitting said declaration to become effective or granting said application on or before February 26, 1945.

By the Commission.

SECTION 1. Objectives. In furtherance of the war effort the Area Director of the War Manpower Commission for the Washington, D. C. Area with the concurrence of the Area Management-Labor Committee has adopted the following program. The purpose of the program is to eliminate wasteful labor turnover, to reduce unnecessary migration by encouraging the full use of local labor, to direct scarce labor where most needed in the war program, and to obtain the maximum utilization of the manpower resources under standards protecting the rights of all concerned.

Sec. 2. Definitions. As used in this employment stabilization program:

(a) "Area covered" is the Washington, D. C. Area, comprising the District of Columbia, Montgomery and Prince Georges Counties in Maryland, Arlington and Fairfax Counties and the City of Alexandria in Virginia.

(b) "Essential activity" means any activity included in the War Manpower Commission List of Essential Activities. (9 F.R. 3439)

(c) "Locally-needed activity" means any activity duly approved by the Area Manpower Director or the Chairman of the War Manpower Commission as a locally needed activity.

(d) "Locally needed establishment" means any establishment designated specifically by the Area Director as a locally needed establishment.

(e) "State" includes Alaska, Hawaii, and the District of Columbia.

(f) "Agriculture" means those farm activities carried on by farm owners or tenants on farms in connection with the cultivation of the soil, the harvesting of crops, or the raising, feeding or management of livestock, bees and poultry, and shall not include any packing, canning, processing, transportation or marketing of articles produced on farms unless performed or carried on as an incident to ordinary farming operations as distinguished from manufacturing or commercial operations.

(g) "Employer" means any person, firm, corporation or the Federal Government who employs persons for consideration except as indicated in "Exclusions." Under this definition the Civil Service Commission represents the Federal Government as an employer insofar as positions subject to the Civil Service Act and Rules are concerned.

(h) "Referral" means a statement issued by the United States Employment Service of the War Manpower Commission sending a worker with his consent to a specific job with a specific employer, for consideration of hiring by such employer.

(i) "New employee" means any individual who has not been in the employment of the hiring employer at any time during the preceding 30-day period. For the purpose of this definition, employ-

ment of less than seven days' duration and employment which is supplemental to the employee's principal work shall be disregarded.

(k) The terms "employment" and "work" as applied to an individual engaged in principal and supplementary employment means his principal employment.

(l) "Locality" means the area as stated in 2 (a) above. For purposes of railroad employment, locality means the railroad operation division.

(m) "Record of prior employment" is a written certification by an applicant for employment containing the name and location of each employer for whom he has worked during the 60 days preceding such application, his occupation and the date of separation from his employer.

(n) "Solicitation" means the initiation of contract with an individual orally or through written or published communication for the purpose of inducing him to accept employment. The furnishing of employment by an employer or his agent to individuals who voluntarily and without solicitation make inquiry is not deemed to be soliciting.

(o) An "Employment ceiling" is the highest level of total employment or of specified types of employees which an establishment is not permitted to exceed, based upon an approved necessary production schedule. Ceilings may be established to:

- (1) Permit employment expansion;
- (2) Maintain employment at present levels; or
- (3) Reduce the employment level.

The employment ceiling is subject to change as production schedules change.

(p) "Priority referral" is a program which provides that employers, except agricultural employers, may hire workers referred by the United States Employment Service of the War Manpower Commission or in accordance with arrangements approved by the United States Employment Service of the War Manpower Commission, so that workers may be referred to jobs in the order of the relative importance of those jobs to the war effort.

Sec. 3. Control of hiring and solicitation of workers. All hiring and solicitation of workers in, or for work in, the Washington Area shall be conducted in accordance with this employment stabilization plan.

Sec. 4. Hiring procedures. (a) No employer shall hire any new employee in, or for work in, the Washington Area except upon referral by, or in accordance with arrangements approved by the United States Employment Service of the War Manpower Commission.

(b) An individual employed in an essential activity or a locally-needed establishment in the 60 days preceding application for new employment shall obtain a statement of availability from his last employer in such activity or establishment or the U. S. E. S. before he shall be eligible for further employment.

For purposes of determining the 60-day period with respect to referral or hiring, periods during which an individual was employed in violation of this

program or employed in an activity excluded by this program shall be disregarded.

(c) Any individual who was not employed in an essential activity or a locally-needed establishment in the 60 days preceding application for employment shall sign a record of prior employment in order to be eligible for further employment.

(d) The Area Manpower Director, upon advice and recommendations of the Area Manpower Priorities Committee, may establish priority ratings for all or any establishments in the Washington, D. C. Area. A priority rating shall serve to indicate the importance of an establishment's manpower needs relative to those of other establishments in this Area. Such ratings shall provide the basis for the order in which workers shall be referred to jobs by the United States Employment Service of the War Manpower Commission or its authorized referral agents.

(e) The Area Manpower Director may fix for all or any establishments in the Washington Area, fair and reasonable employment ceilings, limiting the number of employees or specified types of employees which such establishments may employ during specified periods. The basic factor in determining such ceilings will be the relative urgency of the establishment's production or services required for the prosecution of the war or for community wartime needs. Other considerations will be the labor needs of the establishment and the available labor supply. Except as authorized by the Area Manpower Director, no employer shall hire any new employee for work in such establishment if the hiring of such employee would result in such establishment's exceeding the employment ceiling currently applicable to it.

(f) A new employee whose last regular employment was in agriculture and who is to be hired for non-agricultural work shall be hired only upon referral by or in accordance with arrangements approved by the United States Employment Service of the War Manpower Commission. No such individual shall be referred to non-agricultural work, except after consultation with a designated representative of the War Food Administration, and provided that such an individual may be hired for non-agricultural work for a period of not to exceed six weeks without referral.

(g) Employers shall retain and file statements of availability, referral cards, and records of prior employment, and shall make them available for inspection upon request by a representative of the War Manpower Commission.

SEC. 5. Issuance of statements of availability by employers. A statement of availability shall be issued promptly to an individual when any of the circumstances set forth below is found to exist in his case.

An individual whose last employment is or was in an essential activity or a locally needed establishment shall receive a statement of availability from his employer when:

(a) He has been discharged or his employment has been otherwise terminated by his employer, or

(b) He has been laid off for an indefinite period, or for a period of seven or more days, or

(c) Continuance of his employment would involve undue personal hardships, or

(d) Such employment is or was at a wage or salary or under working conditions below standards established by State or Federal law or regulations, or

(e) Such employment is or was at a wage or salary below a level established or approved by the National War Labor Board (or other agency authorized to adjust wages or approve adjustments thereof) as warranting adjustment, and the employer has failed to adjust the wage in accordance with such level or to apply to the appropriate agency for such adjustment or approval thereof.

SEC. 6. Referral of workers by United States Employment Service. (a) If the employer fails or refuses to issue a statement of availability the United States Employment Service of the War Manpower Commission, upon finding that the worker is eligible for referral, shall refer the individual to employment in accordance with the provisions of this program.

(b) The United States Employment Service of the War Manpower Commission may refer any individual in the employ of an employer whom the War Manpower Commission finds, after notice, hearing, and final decision, has not complied with any War Manpower Commission employment stabilization program, regulation, or policy, and for so long as such employer continues his non-compliance after such finding.

(c) If an individual is employed at less than full time, or at a job which does not utilize his highest skill for which there is a need in the war effort, the United States Employment Service of the War Manpower Commission may, upon his request, refer him to other available employment in which it finds that the individual will be more fully utilized in the war effort.

(d) The issuance of a referral card by the United States Employment Service of the War Manpower Commission shall constitute a certification that the employee is eligible under War Manpower Commission regulations and this program for employment to which he is being referred and there shall be no obligation on the new employer to inquire with respect to said eligibility.

(e) A worker seeking referral to employment under any circumstances except where he has been laid off or discharged from his last employment by his employer, shall be urged to remain on his job until the statement is issued by his employer or referral is made by the United States Employment Service of the War Manpower Commission unless remaining on the job would subject him to undue personal hardship.

SEC. 7. Special hiring provisions. (a) Railroads, and other employers subject to the Railroad Retirement Act or the

Railroad Unemployment Insurance Act, shall hire new workers who have not worked (or resided, if not previously employed) within the locality of the new employment in the 30 days preceding such hiring only through the Railroad Retirement Board's Employment Service. All orders for such workers shall be cleared by the latter agency with the United States Employment Service of the War Manpower Commission before recruiting from outside the area is undertaken.

(b) Since appointments to the Departmental Service of the Federal Government in Washington, D. C., are required by law to be apportioned among the several states, the Civil Service Commission is not required to secure clearance from the United States Employment Service of the War Manpower Commission before recruiting outside the area to fill such positions, and persons recruited to fill such positions may be hired without clearance from the United States Employment Service of the War Manpower Commission in this area. However, the provisions of any employment stabilization program in effect in the area from which the person is recruited will be complied with. Hiring by departments and agencies of the Federal Government for positions which are subject to the rules and regulations of the United States Civil Service Commission, which, so far as is consistent with the laws under which it operates, shall conduct its recruiting activities and make referrals in accordance with the War Manpower Commission's policies, procedures, and standards. The provisions of this plan shall not be applicable to transfer between agencies of the Federal Government. Except as indicated the Civil Service Commission shall clear its job openings with the local United States Employment Service of the War Manpower Commission office before recruiting outside the area. The District of Columbia Government shall conform with the provisions of this program insofar as positions subject to the Civil Service Act and Rules and the Joint Regulations are concerned.

(c) The War Shipping Administration shall conduct its recruitment activities and make referrals in accordance with the War Manpower Commission's policies, procedures, and standards.

SEC. 8. Exclusions. No provisions of this employment stabilization program shall be applicable to:

(a) The hiring of a new employee for agricultural employment;

(b) The hiring of a new employee for work of less than seven days' duration, or for work which is supplementary to the employees' principal work, but such work shall not constitute the individual's "last employment" for the purposes of the program, unless the employee is customarily engaged in work of less than seven days' duration;

(c) The hiring of an employee in any territory or possession of the United States, except Alaska and Hawaii;

(d) The hiring by the legislative and judicial branches of the Federal Government or by a foreign, State, County, or

(h) "Certificate of prior employment" is a written certification by an applicant for employment as to the name and location of each employer for whom he has worked during the past 60 days, his occupation, and the date of separation from his most recent employer.

SEC. 3. Exclusions. No provision of this employment stabilization program shall be applicable to:

(d) The hiring of an employee in any territory or possession of the United States, except Alaska and Hawaii;

(e) The hiring by a foreign, State, county, or municipal government, or their political subdivisions, or their agencies and instrumentalities, or to the stabilization of any of their employees in such government employment, unless such foreign, State, county or municipal government, or political subdivision or agency or instrumentality has indicated its willingness to conform, to the maximum extent practical under the Constitution and laws applicable to it, with the program;

(b) *Hiring of female workers.* (1) A new female employee, who during the preceding 60-day period was engaged in

an essential or locally needed activity, may be hired only if such hiring would aid in the effective prosecution of the war. Such hiring shall be deemed to aid in the effective prosecution of the war only if:

(i) Such female individual is hired for work in an essential or locally needed activity or for work to which she has been referred by the United States Employment Service, and,

(ii) Such female individual presents a statement of availability from her last employment in an essential or locally needed activity, or is referred by the United States Employment Service of the War Manpower Commission, or is hired with its consent, as provided herein.

(i) The new female employee has not lived or worked in the locality of the new employment throughout the preceding 30-day period.

(ii) The new female employee's last regular employment was in agriculture and she is to be hired for non-agricultural work exceeding 6 weeks in duration: *Provided,* That no such individual shall be referred to non-agricultural work except after consultation with a designated representative of the War Food Administration.

(c) *Disregard of illegal or excluded employment in applying the 60-day clause.* For purposes of determining the 60-day period with respect to referral or hiring under section 4, periods during which an individual was employed in violation of this program or employed in an activity excluded by this program shall be disregarded.

(e) Such employment is or was at a wage salary below a level established or approved by the National War Labor Board (or any other agency authorized to adjust wages or approve adjustments thereof) as warranting adjustment, and the employer has failed to adjust the wage in accordance with such level or to apply to the appropriate agency for such adjustment or approval thereof.

(f) An employer failing or refusing after due notice to issue a statement of availability as provided in paragraphs (a) and (b) above, shall be subject to the provisions of section 17 hereof.
