PART 524—HONEY

SUBPART B—HONEY EXPORT PROGRAM
UMX 66a (1953 MARKETING SEASON)

MISCELLANEOUS AMENDMENTS

The "Honey Export Program UMX 66a (1953 Marketing Season)" 18 F. R. 1956, is hereby amended to change the address of the Fruit and Vegetable Branch Office at San Francisco, California; to provide more details with respect to classifying mixed lots of honey for certifying that the producer has been paid the support price under the terms of the 1953 Honey Price Support Program; and to realign areas of jurisdiction of PMA commodity offices in the manner provided below:

1. Section 524.300 *General statement* is hereby revised by changing the address of the Fruit and Vegetable Branch Office at San Francisco, California appearing in paragraph (b) thereof to read as follows:

Werner Allmendinger, Fruit and Vegetable Branch, Production and Marketing Administration, United States Department of Agriculture, 1000 Geary Street, San Francisco 9, California.

3. Section 524.304 *Prices to be paid to the producer* is hereby amended by adding the following paragraphs:

(d) If a lot of table honey is not segregated so that it can be certified as one color for the lot as a whole within the tolerances for color variations contained in the "United States Standards for Grades of Extracted Honey effective April 16, 1951," the applicable price shall

be based on the darkest color shown on the inspection certificate.

(e) If a lot of honey contains both "table" and "non-table" honey, or contains blends of "table" and "non-table" honey, so that it cannot be given a single classification as "table" or "non-table" honey, the applicable price shall be based on "non-table" honey.

(f) If an inspection certificate shows that a lot of honey contains honey ineligible under the 1953 Honey Price Support Program (see § 624.404 of this chapter (1953 Honey Price Support Bulletin, 18 F. R. 1985), copies of which are available at the various PMA commodity offices and the offices of State and county PMA committees), there is no requirement that the producer be paid any specific price for such lot of honey.

AMERICAN & FOREIGN POWER CO., INC.

NOTICE OF AGREEMENT AMENDING CONSOLIDATED LOAN AGREEMENT

JULY 8, 1953.

Notice is hereby given that American & Foreign Power Company, Inc. ("the Company"), a registered holding company and a subsidiary of Electric Bond and Share Company, also a registered holding company, has filed a declaration pursuant to the Public Utility Holding Company Act of 1935 ("the act") designating sections 6 (a) and 7 of the act as applicable to the proposed transactions, which are summarized as follows:

On July 28, 1952, the Commission issued an order (Holding Company Act Release No. 11407) authorizing the Company, pursuant to the terms of a Consolidated Loan Agreement with three certain banks, to refund the \$12,500,000 principal amount of its bank loans then outstanding, and to borrow an additional amount of \$5,000,000 prior to July 1, 1953. Pursuant to a supplemental agreement with said banks dated June 29, 1953, it is now proposed that the Company's right to borrow the additional \$5,000,000 shall be extended until July 1, 1954. The agreement provides that the interest rate shall be 3/4 of 1 percent per annum above the prime rate of Bankers Trust Company for 90-day commercial loans, but not less than 4 percent nor more than 4 1/4 percent per annum, with a continuation of the commitment fee of 1/2 of 1 percent per annum while the commitment is in effect.

The Company represents that the continuation of the additional credit is advisable as an alternative source of funds to aid its subsidiary utility companies in financing new construction and property additions.

Notice is further given that any interested person may, not later than July 20, 1953, at 5:30 p. m., e. d. s. t., request in writing that a hearing be held on such matter, stating the nature of his interest, the reasons for such request, and the issues of fact or law, if any, raised by said declaration which he desires to controvert; or he may request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. At any time after said date said declaration, as filed or as amended, may be permitted to become effective as provided in Rule U-23 of the rules and regulations promulgated under the act, or the Commission may exempt such transactions

ELECTRIC BOND AND SHARE CO.

NOTICE OF REQUEST FOR AUTHORIZATION TO ACQUIRE AND EXERCISE OR SELL SUBSCRIPTION RIGHTS AND OVERSUBSCRIPTION PRIVILEGES IN COMMON STOCK OF SUBSIDIARY

JULY 10, 1953.

Notice is hereby given that Electric Bond and Share Company ("Applicant"), a registered holding company, has filed an application-declaration under the Public Utility Holding Company Act of 1935 ("the act"), requesting permission of the Commission to acquire and exercise its Subscription Rights and Oversubscription Privileges relating to an issue of common stock by its subsidiary United Gas Corporation ("United Gas"), under the following circumstances:

Applicant is in process of compliance with section 11 (b) of the act pursuant to a plan filed under section 11 (e) which plan is now before the United States District Court for the Southern District of New York for enforcement, and which provides, among other things, that Applicant shall have the right, with the approval of the Commission, to purchase its proportionate part of any offer by United Gas of additional shares of its common stock, subject to the condition that Applicant dispose of its holdings of such stock below 5 percent of the total of such shares outstanding, prior to two years after the effective date of the plan.

United Gas is now about to issue and sell, through an offer to its stockholders, 1,171,863 shares of its common stock, \$10 par value. Applicant as a stockholder of United Gas expects to receive warrants evidencing its "Subscription Rights" and "Oversubscription Privileges," and presently anticipates that it will exercise such Subscription Rights to purchase 253,574 shares of the common stock to be offered by United Gas, and may exercise such Oversubscription Privileges to the extent of an additional 253,574 shares of such stock, to be acquired with cash on hand or the proceeds of sales of commercial paper now owned by Applicant.

Applicant agrees that any stock acquired under the present application will be disposed of in accordance with the terms and in the manner provided in the plan as aforesaid.

Applicant states that, in the light of the court proceedings, flexibility must be maintained to permit it to dispose of its rights during the offering period if such disposition appears necessary or desirable, and it also requests permission, in the alternative, to do so on the terms deemed most advantageous to it.

Applicant requests that the Commission's order herein be made effective at the earliest practicable date.

Notice is further given that any interested person may, not later than July 20, 1953, at 11:00 a. m., e. d. s. t., request in writing that a hearing be held on such matter, stating the nature of his interest, the reasons for such request, and the issues of fact or law, if any, raised by said application-declaration which he desires to controvert; or he may request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. At any time after said date said application-declaration, as filed or as amended, may be granted and permitted to become effective as provided in Rule U-23 of the rules and regulations promulgated under the act, or the Commission may exempt such transactions as provided in Rule U-20 (a) and Rule U-100 thereof.
