TITLE 7—AGRICULTURE

Chapter IX—Agricultural Marketing Service (Marketing Agreements and Orders), Department of Agriculture

PART 936—FRESH BARTLETT PEARS, PLUMS, AND ELBERTA PEACHES GROWN IN CALIFORNIA

CHANGES IN REPRESENTATION OF CERTAIN DISTRICTS ON PLUM COMMODITY COMMITTEE

Notice was published in the FEDERAL REGISTER issue of December 30, 1953 (18 F. R. 3873) that the Department was

giving consideration to the proposed amendment of the rules and regulations (7 CFR 936.100 et seq., Subpart—Rules and Regulations; 18 F. R. 712, 2839) currently in effect pursuant to the amended marketing agreement and Order No. 36 (7 CFR Part 936), regulating the handling of fresh Bartlett pears, plums, and Elberta peaches grown in California, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended (7 U. S. C. 601 et seq.).

After consideration of all relevant matters presented, including the proposals set forth in the aforesaid notice which were submitted by the Control Committee (established pursuant to said amended marketing agreement and order as the agency to administer the provisions thereof), it is hereby found and determined that the changed representation on the Plum Commodity Committee is based, so far as practicable, upon the proportionate quantity of plums shipped from the respective districts during the preceding three seasons. The approval of the amendment, as herein-after set forth, of said rules and regulations is in accordance with the provisions of said amended marketing agreement and order and will tend to effectuate the declared purposes of the Agricultural Marketing Agreement Act of 1937, as amended. Such amendment is hereby approved; and the said rules and regulations are amended as follows:

Amend the provisions of § 936.118 to read:

§ 936.118 *Changes in the representation of certain districts on Plum Commodity Committee.* The representation or membership on the Plum Commodity Committee is changed to provide for:

TITLE 47—TELECOMMUNICATION

Chapter I—Federal Communications Commission

PART I—PRACTICE AND PROCEDURE

PROCEDURE WHEN CASE IS DESIGNATED FOR HEARING

The Commission desires to revise § 1.387 so as to make clear that a written appearance must be filed or the applicant will be found to have waived his hearing rights.

Accordingly, it is ordered, this 20th day of January 1954, that pursuant to the authority of sections 4 (i) (j) and 303 (r) of the Communications Act of 1934, as amended, § 1.387 (a) and (b) (4) of the Commission's rules and regulations are amended to read as follows:

§ 1.387 *Procedure when case is designated for hearing.* (a) When an application has been designated for hearing, the Secretary of the Commission will mail a written notice to applicant setting forth the action of the Commission designating the application for hearing, together with such statement of the Commission's reasons therefor as shall be appropriate to the nature of the application. In addition, notice of hearing involving matters under Part I of Title III of the act will be given by publishing the notice of hearing in the FEDERAL REGISTER. The Commission will attempt, when possible, to give at least 30 days advance notice of a hearing. In order to avail himself of the opportunity to be heard, the applicant, in person or by his attorney, shall, within 20 days of the mailing of the notice of designation for hearing by the Secretary, file with the Commission, in triplicate, a written appearance stating that he will appear and present evidence on the issues specified in the statement of reasons furnished by the Commission on such date as may be fixed for the hearing. Where an applicant fails to file such a written statement within the time specified, and has not filed prior to the expiration of that time

period a petition to dismiss without prejudice pursuant to § 1.366, his application shall be dismissed with prejudice for failure to prosecute. In cases involving applications for facilities other than AM broadcast, FM broadcast, international broadcast, or television, the applicant shall submit with his appearance an additional copy of his application and supporting documents.

(b) * * *

(4) In order to avail himself of the opportunity to be heard, any person named as a party pursuant to this subsection shall, within 20 days of the mailing of the notice of his designation as a party, file with the Commission, in person or by attorney, a written appearance in triplicate stating that he will appear and present evidence on the issues specified in the notice of hearing. Any person so named who fails to file this written statement within the time specified, shall, unless good cause for such failure is shown, forfeit his hearing rights.

In view of the fact that § 1.387 of the Commission's rules is procedural, notice of proposed rule making in accordance with section 4 of the Administrative Procedure Act is unnecessary and this amendment shall be effective immediately.

[Docket No. 10619]

PART 3—RADIO BROADCAST SERVICES

TELEVISION BROADCAST STATIONS; TABLE OF ASSIGNMENTS

In the matter of amendment of § 3.606 *Table of assignments* rules governing television broadcast stations. Docket No. 10619.

1. The Commission has under consideration its notice of proposed rule making (FCC 53-973) issued in this proceeding on July 31, 1953 and published in the FEDERAL REGISTER on August 7, 1953 (18 F. R. 4682) proposing to amend the Table of Assignments so as to assign Channel 10 to Parma or Onondaga or Parma-Onondaga, Michigan. The time for filing comments in this proceeding expired on September 18, 1953.

2. The assignment of Channel 10 may be made in conformance with the Commission's rules in a relatively small triangular area formed by arcs drawn at the minimum required co-channel spacings from the appropriate reference points in Columbus, Ohio, Milwaukee, Wisconsin, and London, Ontario, Canada, without any other changes in the Table of Assignments. This area in the south central portion of Michigan is west of Jackson and south of Lansing. It includes Parma, Michigan, a com-

munity of 680 people and Onondaga, Michigan, a community of 400 people. Parma is approximately 9½ miles from Jackson and Onondaga is approximately 15½ miles from that city. Parma and Onondaga are approximately 13 miles apart. Both are in the Jackson trading area.

3. Jackson Broadcasting and Television Corp., Jackson, Michigan proposed the assignment of Channel 10 to Jackson, Michigan; Jackson Broadcasting conceded that Channel 10 could not be assigned to Jackson under the present rules but urged that § 3.611 (a) (2) of the Commission's rules be amended so as to provide a 5 mile flexibility in making assignments in communities where the spacings to existing transmitter sites in other communities were below the minimum required spacings by no more than 5 miles. In a memorandum opinion and order issued on December 29, 1953 (FCC 53-1718) the Commission denied this and other proposals which sought to revise the Commission's rules governing assignment spacings. In view of this action, the request for the assignment of Channel 10 to Jackson must be denied.

4. Twin Valley Broadcasters, Inc., Coldwater, Michigan opposed the assignment of Channel 10 to Parma or Onondaga and urged instead that this assignment be made to Coldwater, Michigan. Twin Valley concedes that that separation between Coldwater and Milwaukee, to which Channel 10 has also been assigned is only 168 miles whereas the minimum co-channel spacing in this Zone is 170 miles but urges that the midpoint between these cities falls out in Lake Michigan and thereby the effect of greater spacing is obtained. The Commission in the Sixth Report and Order gave careful consideration to the problem of minimum assignment spacings and rejected all proposals which resulted in assignment spacings below the adopted minimums. We have not since deviated from this policy nor has Twin Valley presented any evidence to convince us that we should so deviate at this time. Accordingly, the request to assign Channel 10 to Coldwater must be denied.

5. Sparton Broadcasting Company, Jackson, Michigan urged that the assignment of Channel 10 be made to Parma rather than to Onondaga or to Parma and Onondaga jointly on the grounds that the assignment of this channel to the southernmost portion of the triangle in which the assignment is technically feasible confines the potential applications for cities south of Onondaga and furnishes the incentive to "apply for facilities in a community closer to the center of a compact and contiguous market area wherein people with common interests reside." Sparton further urges that there is a better chance to obtain economic support when the station in this area is located more nearly to the center (Jackson) of such an important trading area and finally that there would thereby be an incentive to serve the underserved areas to the south of Jackson.

6. Triad Television Association supported the assignment of Channel 10 to either Onondaga or Parma-Onondaga. In support of the assignment of this

channel to the two communities in combination Triad urged that these communities have very similar rural interests, are both in the Jackson trading area in close proximity to that city have sufficient community interest between them so as to justify the joint allocation, and that a VHF station in either community would render service to most of the Jackson-Battle Creek-Lansing area as well as the Parma-Onondaga area.

7. Logansport Broadcasting Corporation, Logansport, Indiana opposed the assignment of Channel 10 to Parma and Onondaga, on the grounds that these communities were less than the required minimum spacings from Logansport, Indiana and would prejudice the assignment of this channel to Logansport which is the subject of a Petition for Review with the United States Court of Appeals for the District of Columbia (Case No. 11601) Logansport urged that in view of the conflict involved, that in the event an assignment is made on Channel 10 as proposed that it be expressly conditioned upon the termination of the Logansport litigation.

8. In view of our decision to deny the requests for the assignment of Channel 10 to Jackson and Coldwater, there remains for consideration the assignment of this channel to Parma or Onondaga or Parma-Onondaga. First, we are of the view that the assignment of this channel in this area would conform with the requirements of the rules and other principles of allocation and would be in the public interest. With respect to a choice of the communities involved, there is little basis to warrant a preference of one over the other. In view of the small size of the communities, their proximity to the city of Jackson and to each other, it appears that a station in either one would serve the other and provide the Jackson trading area with another warranted service. We are of the view therefore that the Channel 10 assignment should be made to the two communities in combination.

9. In view of the foregoing, the requests of Jackson Broadcasting and Television Corporation and Twin Valley Broadcasters, Inc., are denied; and the petition of Sparton Broadcasting Company, insofar as it requests the assignment of Channel 10 to Parma alone, is denied, and the petition of Triad Television association is granted.

10. Authority for the adoption of the amendment is contained in sections 4 (i) 301, 303 (c) (d) (f) and (r) and 307 (b) of the Communications Act of 1934, as amended.

11. Accordingly, it is ordered, That effective 30 days from publication in the FEDERAL REGISTER, the Table of Assignments, contained in § 3.606, rules governing television broadcast stations, is amended as follows:

Add to the table under the State of Michigan

City	Channel No.
Parma-Onondaga	10—

^oThis assignment is made subject to such action as the Commission may take in the light of the final decision of the courts on the Petition for Review filed by the Logansport Broadcasting Company (C. A. D. C. Case No. 11601).

Part 786 is hereby amended by adding a new Subpart E and § 786.2 thereunder to read as follows:

§ 786.2 *Enforcement policy concerning performance of non-exempt work.* The Division has taken the position that the exemption provided by section 13 (a) (12) of the Fair Labor Standards Act will be deemed applicable even though some non-exempt work (that is, work of a nature other than that which characterizes the exemption) is performed by the employee during the workweek, unless the amount of such non-exempt work is substantial. I 29 CFR Part 526 I

INDUSTRIES OF SEASONAL NATURE

**RECEIVING OF SOYBEANS FOR STORAGE IN COT-
TONSEED CRUSHING MILLS; NOTICE OF PRE-
LIMINARY DETERMINATION**

On October 5, 1950, it was found that the receiving of soybeans for storage in cottonseed crushing mills is an industry of a seasonal nature within the meaning of section 7 (b) (3) of the Fair Labor Standards Act (15 F. R. 6696). It now appears that cottonseed crushing mills also receive soybeans that are not stored but are handled and shipped out immediately after receipt. Such handling and shipping is not within the scope of the industry as defined in the determination referred to above. For that reason the exemption is defeated in some workweeks even though these handling and shipping operations, and the periods during which they are performed, are only slightly dif-

ferent from those prevailing for receiving for storage.

According to the information available to the Administrator, some soybeans that are not stored may be received earlier in the season than those which are received for storage. The period during which soybeans are received by cottonseed crushing mills is not, however, extended to any substantial extent by these receipts. It appears that cottonseed crushing mills engaged in handling and storing soybeans receive and handle more than 50 percent of the annual volume in a period or periods amounting in the aggregate to not more than 14 workweeks.

Upon consideration of the foregoing facts, and pursuant to § 526.5 (b) of the regulations, the Administrator finds that a prima facie case exists for amending the aforesaid determination to include the handling of soybeans. As amended, the determination will apply to the unloading, weighing, placing into storage, storing, and handling of soybeans in cottonseed crushing mills and any opera-

tions or services necessary or incident to the foregoing, including incidental selling and shipping, during the period or periods when soybeans are being received for storage or handling.

If no objection and request for hearing is received within 15 days following the publication of this preliminary determination, the Administrator pursuant to § 526.5 (b) of the regulations will make a finding upon the prima facie case. Objections and requests for hearing from any interested person should be submitted in writing to the Wage & Hour & Public Contracts Divisions, Department of Labor Building, Fourteenth Street and Constitution Avenue NW., Washington 25, D. C.

Signed at Washington, D. C., this 19th day of January 1954.

Administrator

ORDER SUMMARILY SUSPENDING TRADING

At a regular session of the Securities and Exchange Commission held at its office in the city of Washington, D. C., on the 20th day of January A. D. 1954.

The Commission by order adopted March 13, 1953, pursuant to section 19 (a) (4) of the Securities Exchange Act of 1934, having summarily suspended trading in the \$1.00 par value common stock of Adolf Gobel, Inc., on the American

Stock Exchange for a period of ten days from that date, and subsequently having entered additional orders further suspending such trading in order to prevent fraudulent, deceptive or manipulative acts or practices; and

The Commission being of the opinion that the public interest requires the summary suspension of trading in such security on that Exchange and that such action is necessary and appropriate for the protection of investors; and

NOTICE OF APPLICATION FOR CONTINUANCE OF MEMBERSHIP IN THE NATIONAL ASSOCIATION OF SECURITIES DEALERS, INC., AND OF OPPORTUNITY FOR FILING REQUEST FOR HEARING

In the matter of the application of National Association of Securities Dealers, Inc., on behalf of a member firm for approval of the member firm's continuance in membership in the association with Marion J. Stanko, as a controlled person.

At a regular session of the Securities and Exchange Commission held at its office in the city of Washington, D. C. on the 19th day of January 1954.

The National Association of Securities Dealers, Inc., a registered securities association (hereinafter referred to as the Association), has filed with this Commission, on behalf of a member, an application for approval of the member's continuance in membership in the Association with Marion J. Stanko as an employee and controlled person thereof, pursuant to the provisions of section 15A (b) (4) of the Securities Exchange Act of 1934.

The application and exhibits attached thereto set forth, in substance, the following information:

1. Marion J. Stanko has been employed since April 1952 by said member, a registered broker-dealer and a member of the Association in District No. 8, having its principal office in Grand Rapids, Michigan.

2. The Commission, by order dated March 25, 1953, revoked the broker-dealer registration of Charles E. Bailey & Company pursuant to section 15 (b) of the Securities Exchange Act of 1934 and found that Marion J. Stanko was a cause of such order.

3. The District Committee for District No. 8 and the Board of Governors of the Association have considered this application and have reviewed the proceedings relating to Marion J. Stanko. Upon consideration of all the facts, including the representations as to the type of activity to be engaged in by Marion J. Stanko as

an employee and controlled person of said member and the extent of the supervision which said member will exercise over his activities, they have concluded that Marion J. Stanko should be permitted to engage in the securities business as an employee and controlled person of said member and that said member should be continued in membership in the Association. They are of the belief that the continuance of said member in membership in the Association with Marion J. Stanko as an employee and registered representative thereof would be consonant with the stated purposes and policies of section 15A of the Securities Exchange Act of 1934 and have recommended approval of this application.

Under the provisions of section 15A (b) (4) of the Securities Exchange Act of 1934 and section 2 of Article I of the Association's By-Laws, said member may not be continued in membership in the Association so long as Marion J. Stanko is employed by said member, except with the approval or at the direction of the Securities and Exchange Commission based upon a finding that such approval or direction is appropriate in the public interest.

Any interested person desiring to be given leave to be heard may file with the Secretary of the Commission on or before February 16, 1954, a written request to that effect setting forth the nature and extent of his interest in the matter pursuant to Rule XVII of the rules of practice. In the absence of such a request by any person having a bona fide interest in the matter, the Commission will either set the matter down for hearing on its own motion after appropriate notice or, if it should appear appropriate so to do, will determine the application on the basis of the record and without hearing.

This notice shall be served on said member and the National Association of Securities Dealers, Inc., forthwith and published in the FEDERAL REGISTER in the manner prescribed by the Federal Register Act.
