Class of works: I am writing in support of Class #1 (Copy-Protected CDs):  
Sound recordings released on compact disc ("CDs") that are protected by  
technological protection measures that malfunction so as to prevent access on  
certain playback devices.

Summary:

Disc name: Spirited Away

It is ridiculous that someone in Japan cannot play something like the American  
version of Spirited Away because Disney released the Japanese version with a  
red tint to thwart early sales in the US. Region free DVD's are an absolute  
must.
