

Name: John Anderson

Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: Fight Club

I bought "Fight Club" in Germany (a Region 2 DVD) because I thought it would
be cool to have a German audio track (which is NOT available on any Region 1
version). However, since it is Region 2 it will not play on our Region 1
player. This is obviously unacceptable! I shouldn't have to "cheat" to watch a
DVD that I bought on a DVD player that I bought!!
