

Name: Michel Dalal

Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: Lucia y el Sexo. A Spanish DVD with English subtitles given to me
by a friend. Label cover is in Spanish. Labeled as Region 2.

I received this DVD as a present from a friend in Spain.

Unfortunately, my DVD player will not play it because it is for Region 2 and
my player is for Region 1. I think that is just ridiculous. I would just like
to be able to watch my new DVD.
