

Name: Jonah Duckles

Class of works: I am writing in support of Class #2 (DVD Region Coding):  
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not  
available in Region 1 DVD format and access to which is prevented by  
technological measures.

Summary:

Disc name: Looking for Ali Brani

I am unable to purchase the above movie for my movie collection because it is  
a niche film sold only in the Australian market. I do not have a region-free  
player and have no way of watching this DVD without actually purchasing an  
Australian player.
