

Name: Robert Bergeski

Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: Chorus Line

I would like an exemption to the DCMA for region coding. I purchased "A Chorus
Line" DVD in Europe because it was Not available in the US. I placed the DVD
into my player, and it would not play. The screen flashed a brief message,
almost too fast to see, "Wrong Region".
