technological measures.

Summary:

Disc name: BBC "Couplings"

I bought two DVDs from the Great Britain BBC television network. The DVDs were  
from a show of theirs, which I purchased from their website. However, when I  
got them, I couldn't play them.

I feel that I should be able to watch any DVD I have paid for on any DVD  
player I have paid for, without restrictions. Once I make the purchase, the  
product is mine, and I should be able to do anything I desire with it,  
especially when all I desire to do is watch it.
