

Name: Brett Ferlin

Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: The Patriot [Columbia / Tristar]

I attempted to play the DVD in my DVD player, and the DVD simply stated that
the region coding was unknown and that for security reasons the DVD would not
play. So I was unable to watch the movie and was forced to return it.
