

Name: Joseph Knowles

Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: Porco Rosso, Kiki's Delivery Service

The Japanese children's DVDs 'Porco Rosso' and 'Kiki's Delivery Service' will
not play on my Region 1 equipment.

When I bought those DVDs, I had a computer with a DVD_ROM drive that was
region-free (RPC-1). The computer was stolen, and the replacement computer, as
required by the DVD CCA, is restricted to Region 1 (RPC-2). Therefore, I have
two DVDs, legitimately purchased, that I cannot play. It is very unlikely that
these discs, with the same Japanese bonus material will ever be released in
the United States; even if they were, I would be forced to purchase the same
discs a second time.
