

Name: Ron Lussier

Class of works: I am writing in support of Class #2 (DVD Region Coding):
Audiovisual works stored on Digital Versatile Disks ("DVDs") that are not
available in Region 1 DVD format and access to which is prevented by
technological measures.

Summary:

Disc name: Queer As Folk

When in England, I purchased a DVD of Channel 4's hit TV series "Queer as
Folk." Unfortunately, when I tried to play it here in the states, it wouldn't
work. I was told that it was "Region Encoded" and could not be played in the
U.S. If I purchase a DVD, it should not have artificial limitations as to
where I can play it.
