NEW ADHERENCE TO THE
UNIVERSAL COPYRIGHT CONVENTION

We have learned, as yet unofficially, that on
July 16, 1963, Peru deposited with the Director-General of
Unesco its instrument of ratification to the Universal
Copyright Convention.

Under Article IX, paragraph 2, of the Convention, the latter will come into force in respect of Peru three
months after the deposit of its instrument of ratification,
i.e., on October 16, 1963.

Peru is the 47th country to adhere to the
Convention.
