STATEMENTS OF ACCOUNT AND FILING REQUIREMENTS FOR SATELLITE CARRIER STATUTORY LICENSE

The following excerpt is taken from Volume 55, Number 233 of the Federal Register for Tuesday, December 4, 1990 (pp. 49998-49999)

LIBRARY OF CONGRESS
Copyright Office
37 CFR Part 201
(Docket No. RM 88-8)

Statements of Account and Filing Requirements for Satellite Carrier Statutory License

AGENCY: Copyright Office, Library of Congress.

ACTION: Technical amendment to final regulations.

SUPPLEMENTARY INFORMATION: The Copyright Office implemented final regulations concerning the filing of statements of account pursuant to enactment of the Satellite Home Viewer Act of 1988, Public Law 100-667, codified in 17 U.S.C. 119, in an announcement published in the Federal Register on July 3, 1989 (54 FR 27873). The announcement incorrectly specified January 31 and July 31 as the dates by which statements of account must be filed. The correct dates are January 30 and July 30. The errors are corrected by this technical amendment to the regulations.

Regulatory Flexibility Act Statement

With respect to the Regulatory Flexibility Act, the Copyright Office takes the position that this Act does not apply to Copyright Office rulemaking. The Copyright Office is a department of the Library of Congress and is part of the legislative branch. Neither the Library of Congress nor the Copyright Office is an "agency" within the meaning of the Administrative Procedure Act. That section created a new "agency" within the meaning of the Administrative Procedure Act of June 11, 1946, as amended (title 5, chapter 8, section 5). The Copyright Office is an "agency" within the meaning of the Administrative Procedure Act and consequently does not apply to the Copyright Office since the Act affects only those entities of the Federal Government that are agencies as defined in the Administrative Procedure Act.

Alternatively, if it is later determined by a court of competent jurisdiction that the Copyright Office is an "agency" subject to the Regulatory Flexibility Act, the Register of Copyrights has determined and hereby certifies that this regulation will have no significant impact on small businesses.
