37 CFR Part 253

[Docket No. 95-3 CARP]

Cost of Living Adjustment for Performance of Musical Compositions by Colleges and Universities

AGENCY: Copyright Office, Library of Congress.

ACTION: Final rule.

SUMMARY: The Copyright Office, Library of Congress announces a cost of living adjustment on rates paid by colleges, universities, or other noneducational institutions that are not affiliated with National Public Radio, for the use of copyrighted published nondramatic musical compositions. The cost of living adjustment is based on the change in the Consumer Price Index published before December 1, 1995, to October, 1995.

EFFECTIVE DATE: January 1, 1996.

FOR FURTHER INFORMATION CONTACT: Marilyn J. Kretisinger, Acting General Counsel, or Tanya Sanders, Copyright Arbitration Royalty Panel Specialist, at Copyright Arbitration Royalty Panel, P.O. Box 70977, Southwest Station, Washington, D.C. 20024. Telephone: (202) 707-8380. Telefax: (202) 707-8366.

SUPPLEMENTARY INFORMATION: On December 22, 1992, the Copyright Royalty Tribunal published in the Federal Register final rules governing the terms and rates of copyright royalty payments with respect to certain uses by noncommercial educational broadcast stations of published nondramatic musical works and published pictorial, graphic and sculptural works. 57 FR 60957 (December 22, 1992). The Copyright Royalty Tribunal determined in that proceeding that colleges, universities, and other noneducational institutions which are not affiliated with National Public Radio would pay a royalty rate adjusted each year according to changes in the Consumer Price Index for the use of copyrighted published nondramatic musical compositions. 37 CFR 304.10. Accordingly, the Tribunal published a cost of living adjustment on December 1, 1993. 58 FR 63294 (December 1, 1993).

In a later action, former 37 CFR 304.10, which calls for the annual cost of living adjustments to rates paid by college and university radio stations, was renumbered 37 CFR 253.10. 59 FR 23964 (May 9, 1994).

Accordingly, the Copyright Office of the Library of Congress is hereby performing the annual cost of living adjustment pursuant to the 1992 public broadcasting rate adjustment proceeding.

The change in the cost of living as determined by the Consumer Price Index (all consumers, all items) during the period from the most recent Index published before December 1, 1994, to the most recent Index published before December 1, 1995, was 2.8% (1994's figure was 149.5; 1995's figure was 153.7, based on 1982-1984=100 as a reference base). Rounding off to the nearest dollar, the adjustment in the royalty rate for the use of musical compositions in the repertory of ASCAP and BMI is $211, each, and $49 for the use of musical compositions in the repertory of SESAC.

List of Subjects in 37 CFR Part 253

Copyright, Radio, Television.

PART 253 - USE OF CERTAIN COPYRIGHTED WORKS IN CONNECTION WITH NONCOMMERCIAL EDUCATIONAL BROADCASTING

1. The authority citation for Part 253 continues to read as follows:

Authority: 17 U.S.C. 118, 801(b)(1) and 803.
