On March 2, 1967, the Committee on the Judiciary of the House of Representatives reported the copyright revision bill, H. R. 2512. This bill is substantially identical with the previous revision bill (H. R. 4347) as amended by the Committee during the 89th Congress.

At the same time, the Committee filed the attached report on H. R. 2512. House Report No. 83, entitled Copyright Law Revision, Report of the House Committee on the Judiciary, 90th Congress, 1st Session, is derived largely from House Report No. 2237, issued in 1966.
