History - An important early water color by Jean Jacques Vioget, made in the spring of 1837 (original in History Room of Wells Fargo Bank). Said to be first view of town of San Francisco from the Yerba Buena Cove side (view of 1806 shows Presidio). Jacob Leese House (see CAL-1869), built 1836, is visible in center. Vioget later provided the new city with a town plan in 1839.

(over)

Vioget was travelling the world in the Peruvian brig,
Delmira, (right side of this watercolor ?) and returned
