- PA-5441-15 Detail of stair hall, looking south
- PA-5441-16 Copy of a post card showing the Lavelle School, c.1900; note that the building is one story in height and contains a one story addition in the rear. It also contains a projecting entrance tower and the windows have shutters. There are no windows or chimneys on the west wall and the front yard is defined by a wood picket fence on the west side and a metal picket fence on the north side. The identities of the children standing near the door are not known. (Copy of photo reproduced with

permission from the Ashland Public Library and Mrs. Helen Edling, former Postmaster of Lavelle (she currently resides in Lavelle); the original photograph is in Mrs. Edling's collection)
