HABS No. VA-1342

Location: Arlington House, The Robert E. Lee Memorial, Arlington National Cemetery Grounds, Lee Drive, Arlington, Virginia.

Note: The Old Potting House was documented in 1994 as part of the annual Charles E. Peterson Prize competition. The students completing the measured drawings for submission were unaware that a HABS record for Arlington House existed and so a new number - HABS No. VA-1342 - was assigned; the original HABS number for Arlington House is HABS No. VA-443. In 2004, additional work was completed on Arlington House and the grounds and transmitted to the Library of Congress. This work was attached to the initial HABS record, VA-443, and additional information on the Old Potting House can be found under VA-443-C. All subsequent materials will be filed under the VA-443 record.
