Northfield Parker Truss Bridge

HAER No. VT-13

Location: Over tracks of Central Vermont Railroad,  
Northfield, Washington County, Vermont

Date of Construction: Circa 1870

Builder: Bridge fabricated by Boston Bridge Works

Significance: This is an excellent example of a Parker Patent Truss,  
fabricated by the Boston Bridge Works. It retains an  
enormous amount of historic integrity and it appears  
practically unaltered from its original design.

Transmitted by: Donald C. Jackson and Jean P. Yearby, HAER, 1985
