

[Letter from Duncan Emrich to Woody Guthrie, October 2, 1950]

October 2, 1950

Dear Mr. Guthrie:

We received your letter of September 8, and appreciate the enclosure. I regret, however, to inform you that the Library of Congress does not at the present time have funds for recording any new projects. The budget in the Library has in this respect been strictly limited and we do not anticipate any change in the situation in the immediate future.

With best wishes,

Sincerely yours,

Duncan Emrich Chief, Folklore Section
