PLAY-PARTY SONGS 5113 B

Dan Tucker

Woodville Festival August, 1941

Old Dan Tucker went down town
Wing those purty gals all around
First to the right and
then to the left
And then to the one that he loves best.

Fly, Tucker, Fly Fly, Tucker, Fly...

Old Dan Tucker went down town
Wing those purty gals all around
First to the right and
then to the left
And then to the one that he loves best.
