[Circular No. 1382]

INSTRUCTIONS RELATIVE TO THE COLLECTION OF FEES FOR GRAZING LICENSES ISSUED DURING THE CALENDAR YEAR 1936

MARCH 28, 1936.

Registers, U. S. Land Offices.

Sirs: On March 2, 1936, the Secretary of the Interior approved "Rules for Administration of Grazing Districts", under the act of June 28, 1934 (48 Stat. 1269).

Your attention is directed to that part of the rules found on page three thereof, under the heading of "Fees", which reads as follows:

A grazing fee of five (5) cents per head, per month, or fraction thereof, for each head of cattle or horses, and one (1) cent per month, or fraction thereof, for each sheep or goat, shall be collected from each licensee except free-use licensees.

Where the license is for three months or less, the fees must be paid in full in advance for the period of the license, but a fraction of a month will be computed as a whole month in calculating the fee.

The licensee may elect to make payment in full or in installments provided the license is for a period of more than three months. If he elects not to pay in full, he may pay in installments as follows:

(a) Where the license is for more than three months, but less than six months, the first installment payment will be for a three-month period, and the second installment payment for the remainder of the time of the license, each installment to be paid in advance.

(b) Where the license is for six months or more, the installment payments will be divided into two equal parts, each payable in full in advance.

Upon receipt of a license issued by the proper Regional Grazier, you will at once notify the licensee that upon payment of the fees for not less than the first installment, the license will be delivered to him. Payment may be made in cash, by check, bank draft, or post-office money order.

Upon payment of the proper amount, you will issue your receipt therefor; forward the license to the licensee and at the same time notify the proper Regional Grazier that the fees have been paid. Such moneys shall be considered as earned when paid, and should be applied under the receipt title 6280, Receipts from Grazing Lands, act June 28, 1934 (48 Stat. 1269).

Payment of subsequent installments, if any, need not be reported to the Regional Grazier. Presentation of your receipt therefor by the licensee shall be sufficient evidence for him to permit the licensee to continue grazing the number of livestock mentioned in the license. However, failure of a licensee to pay such fees when due must be reported to the proper Regional Grazier.

All other matters pertaining to the granting and disposition of licenses shall be governed by Circular No. 1356 of June 7, 1935.

Very respectfully,

FRED W. JOHNSON, *Commissioner.*
