## MANUAL AMENDMENT—INCOME PRODUCING RECONDITIONING

*Be it resolved*, That pursuant to the authority vested in the Board by Home Owners' Loan Act of 1933 (48 Stat. 128, 129) as amended by Sections 1 and 13 of the Act of April 27, 1934 (48 Stat. 643-647) and particularly by Sections 4-a and 4-k of said Act as amended, Chapter V of the State Manual and Chapter VII of the Regional Manual is hereby amended by the addition of a new section to be entitled "INCOME PRODUCING RECONDITIONING." The new section in both Manuals to be placed at the end of the respective Chapters, to be appropriately numbered, and to read as follows:

The Reconditioning Division shall direct and supervise all reconditioning necessary in cases where the repayment of the Corporation's loan is dependent or reasonably dependent upon reconditioning which can not be identified as necessary repairs to protect the Corporation's security, which type of reconditioning shall be known as Income Producing Reconditioning. Funds may be advanced to provide for Income Producing Reconditioning, plus all costs properly incident thereto, if, in the exercise of sound judgment by the General Manager or by the Regional Manager or an Assistant Regional Manager, it is determined that: (1) the borrower is unable to make payments according to the

contract, (2) foreclosure will be inevitable under existing conditions, (3) the borrower is unable to finance the costs of such reconditioning otherwise, (4) such reconditioning will enable the borrower to make payment of his indebtedness to the Corporation, and (5) the reconditioning is necessary to the best interest of the Corporation, all things considered; provided, that any case involving an advance in excess of \$500.00 shall be forwarded to Washington by the Regional Manager, together with his recommendation and the opinion and recommendation of the Regional Counsel as to examination of title and form of security instrument to be taken, for the approval of the General Manager or the concurring approval of the Assistant General Manager and Director of Reconditioning. There should be a strong showing that the proposed reconditioning will place the borrower in a position to pay his debt and thereby retain his home. Liens for taxes and assessments need not be discharged as a condition for making advances for Income Producing Reconditioning, nor shall any provision be made to pay any taxes or assessments from any such funds advanced. Income Producing Reconditioning may be authorized only under proper legal advice, and questions of waiver of examination of title, or the form of note and mortgage or other security instrument that should be taken to secure such advance, shall be determined by the Legal Department. Income Producing Reconditioning, advances for same, and repayment to the Corporation therefor, shall be effected in such manner, on such terms, and under such conditions and procedure as the General Manager or a Deputy General Manager and the General Counsel or an Associate General Counsel shall prescribe.
