STABILIZATION OF BONUS PAYMENTS AMONG STOCK EXCHANGE FIRMS

On September 9, 1944, pursuant to § 803.10 *Bonus payments not subject to approval by Board* (General Order 10), the National War Labor Board passed the following resolution:

Be it resolved that stock exchange firms which have paid year-end bonuses

for 1943 in excess of the bonus payments made during the preceding year, pursuant to approval of the Board, shall not be permitted to use such payments as the basis for making similar payments in 1944 under the provisions of General Order 10. Stock exchange firms which desire to make bonus payments in excess of those permissible under General Order 10, excluding the 1943 payments from consideration, must secure approval of the Board through the customary Form 10 procedure.

PART 1010—SUSPENSION ORDERS

[Suspension Order S-619]

L. H. PAULEY AND PAULEY LUMBER CO.

Pauley Lumber Company is a Nebraska corporation with its principal office in Lincoln, Nebraska. L. H. Pauley is president of the corporation and resides in Lincoln, Nebraska. On January 14, 1944, L. H. Pauley, acting for Pauley Lumber Company, applied preference ratings of AA-3 and AA-4 to a purchase order for two carloads of ponderosa pine lumber, without authorization from the War Production Board. On that day both Pauley Lumber Company and L. H. Pauley were subject to War Production Board Suspension Order S-431 which denied both the corporation and L. H. Pauley the right to apply or extend preference ratings until January 20, 1944. The application of these preference ratings by L. H. Pauley and Pauley Lumber Company on January 14, 1944, was a violation of War Production Board Suspension Order S-431 and Priorities Regulation No. 3. Pauley Lumber Company and L. H. Pauley were aware of the provisions of War Production Board Suspension Order S-431 and Priorities Regulation No. 3, and their actions constituted grossly negligent violations of these orders.

These violations have diverted critical material to uses not authorized by the War Production Board and have hampered and impeded the war effort of the

United States. In view of the foregoing, it is hereby ordered, that:

§ 1010.619 *Suspension Order No. S-619.* (a) Pauley Lumber Company and L. H. Pauley shall not for thirty days from the effective date of this order apply or extend any preference ratings, regardless of the delivery date named in any purchase order to which such ratings may be applied or extended.

(b) The restrictions and prohibitions contained herein shall apply to Pauley Lumber Company and L. H. Pauley, its and his successors and assigns or persons acting on its or his behalf. Prohibitions against the taking of any action include the taking indirectly as well as directly of any such action.

(c) Nothing contained in this order shall be deemed to relieve L. H. Pauley, individually, or otherwise, his successors or assigns, or the Pauley Lumber Company, its successors or assigns, from any restriction, prohibition or provision contained in any other order or regulation of the War Production Board, except insofar as the same may be inconsistent with the provisions hereof.

(d) This order shall take effect on September 18, 1944.

Issued this 8th day of September 1944.

PART 1010—SUSPENSION ORDER

[Suspension Order S-620]

NAT SILVERSTONE

Nat Silverstone of 2425 Broadway, Oakland, California, is a dealer in commercial refrigeration equipment. In December, 1943, he delivered a refrigerator on an order which was not an authorized or approved order, in wilful violation of Limitation Order L-38. In October and November, 1943, he applied preference ratings assigned for maintenance, repair and operating supplies to orders for refrigerator condenser units and blower coils and used the material so obtained to construct and install new refrigeration systems, in violation of Priorities Regulation No. 1, and between April 10, 1943, and November 20, 1943, he delivered refrigerator parts for uses unauthorized by Limitation Order L-38 and in violation of that order; these violations of Priorities Regulation No. 1 and Limitation Order L-38 were caused by his gross negligence. He also was grossly negligent in failing to keep proper records, as required by Priorities Regulation No. 1.

These violations of War Production Board Regulations have diverted critical materials to uses not authorized by the War Production Board and have interfered with the controls established by the War Production Board for the allocation of critical materials, and have hampered and impeded the war effort of the United States of America. In view

of the foregoing, it is hereby ordered, that:

§ 1010.620 *Suspension Order No. S-620.* (a) Nat Silverstone, his successors and assigns, shall not make any deliveries of any new system or new parts of commercial refrigeration equipment as defined in Limitation Order L-38 (as amended from time to time) except upon orders for direct use by the Army, Navy, Maritime Commission or War Shipping Administration or unless specifically authorized in writing by the Regional Director of the San Francisco, California, Regional Office of the War Production Board, and specific authority to act on applications for authorization is hereby delegated to the Regional Director of the San Francisco, California, Regional Office of the War Production Board.

(b) Nothing contained in this order shall be deemed to relieve Nat Silverstone, his successors or assigns, from any restriction, prohibition, or provision contained in any other order or regulation of the War Production Board, except insofar as the same may be inconsistent with the provision hereof.

(c) This order shall take effect on September 18, 1944, and shall expire on January 18, 1945.

[Portland Order G-9 Under 18 (c)]

LIN BOWMAN CO.

ADJUSTMENT OF MAXIMUM PRICES

For the reasons set forth in an opinion issued simultaneously herewith, and under the authority vested in the district director of the Office of Price Administration by § 1499.18 (c), as amended, of the General Maximum Price Regulation, *It is hereby ordered:*

(a) The maximum prices as established by sections 2 and 3 of the General Maximum Price Regulation or by any previous order issued pursuant to such regulation, or to any supplementary regulation thereto, for the sale and delivery of the types of firewood specified below in the Portland-Vancouver area, are hereby adjusted so that the maximum prices therefor shall be as follows:

(1) The maximum prices for sales of wood fuel shipped in by rail by the Lin Bowman Company, Portland, Oregon, as the operator of the Portland Fuel Pool, to retail dealers located in the Portland-Vancouver area shall be:

	Per cord
Green fir slabwood (4 foot)-----	\$5.50
Green fir slabwood (16 inch)-----	6.00
Green fir blockwood (16 inch)-----	6.50
Dry fir slabwood (4 foot)-----	7.50
Dry fir slabwood (16 inch)-----	8.00
	Per unit
Sawdust-----	\$4.00

(2) The maximum prices for resale to ultimate consumers by retail dealers located in the Portland-Vancouver area for wood fuel purchased from the Lin Bowman Company at the wholesale prices set forth in paragraph (1) shall be:

	Per cord
Green fir slabwood (4 foot)-----	\$10.00
Green fir slabwood (16 inch)-----	10.50
Green fir blockwood (16 inch)-----	11.00
Dry fir slabwood (4 foot)-----	12.00
Dry fir slabwood (16 inch)-----	12.50
	Per unit
Sawdust-----	\$6.50

(b) The maximum prices set forth in subparagraphs (a) (1) and (a) (2) above apply under the following terms and conditions:

(1) *Remuneration to pool operator.* The Lin Bowman Company of Portland, Oregon, as operator of the Portland Fuel Pool, shall receive as remuneration for carrying out the operations of the pool the sum of fifty cents (50¢) for each cord of wood or unit of sawdust sold through the pool.

(2) *Surplus monies.* Surplus monies shall include all revenue in excess of fifty cents (50¢) per cord or unit derived by the Lin Bowman Company on sales under this Order G-9, less any amounts expended or withdrawn in the operation of the Portland Fuel Pool in accordance with paragraph 4 below.

(3) *Surplus account and accumulated monies.* On or about the 15th day of each month, Lin Bowman Company, as the operator, shall deposit, in any chosen one of the several established banks of Portland, Oregon, the surplus monies which accrue in the operation of the Portland Fuel Pool from operations of the previous calendar month. The operator shall authorize the bank in which the surplus account has been established to send to the district director a

monthly statement of the amount in said account, as of the day on which statements are usually rendered by said bank.

To the extent that the former pool operator, the Commercial Coal Sales Company, shall upon direction of the district director of the Office of Price Administration make payment of the former pool surplus to the Lin Bowman Company, the latter shall deposit such amount in the surplus account for disposition in accordance with the provisions of this order.

In the event that the district director finds that an independent audit is necessary, the operator shall make available all books and records concerning the Portland Fuel Pool's operation to accountants of the Office of Price Administration.

(4) *Use of surplus monies.* It is the primary purpose of this order that surplus monies shall be used to maintain needed supplies rather than be accumulated. Surplus monies may be used by the operator in the following specific circumstances:

(a) To recoup deficits incurred on purchases of wood fuel where the gross margin available to Lin Bowman Company on resale at applicable maximum prices, after payment of the mill price (not to exceed the applicable mill ceiling) and freight, is less than fifty cents (50¢) per cord or unit: *Providing, however,* That surplus monies shall not be used to recoup losses resulting from sales to retail dealers at less than maximum prices.

(b) For payment of its gross margin of fifty cents (50¢) per cord on sales of firewood or per unit on sales of sawdust to retail dealers for stockpiling under contract with the Defense Supplies Corporation.

(c) For actual expenditures required for the re-racking or conditioning of railroad cars.

(d) For actual expenditures required for such other purposes as may be deemed necessary by the Office of Price Administration to further the general purposes and objectives of this order. No expenditures may be made under this sub-paragraph however except upon written authorization of the district director setting forth specifically the amount of money to be expended and the purpose for which it is to be used. The Office of Price Administration may require the expenditure of any and all surplus monies at any time. If a written authorization from the Office of Price Administration under this subparagraph requires the Lin Bowman Company to enter into a contract involving the use of surplus monies as a result of which Lin Bowman Company is subjected to loss or damage, such loss or damage shall be charged against the fund of surplus monies but no expenditures or losses shall be required to be incurred in excess of the amount of surplus monies then accrued or realizable during the term of the contract.

(e) For payment of federal and state income taxes in amounts equal to additional taxes required to be paid because of the inclusion of said surplus monies in its income.

(5) *Reports.* Lin Bowman Company shall file each month with the Portland District Office a report showing: (a) the

amount of surplus monies at the beginning of the preceding month, (b) the amount of surplus monies at the end of the preceding month, (including a brief statement detailing credits and charges), (c) total number of cords (or units) of firewood sold during the preceding month together with a list of names of the dealers to whom sales were made and the amount of the sales, and a list of mills from which purchases were made and the amount of the purchases, (d) total cost f. o. b. mill, (e) total return on resale, and (f) amount spent, if any, for the reracking and conditioning of cars.

(c) *Definitions.* "Portland-Vancouver Area" as herein used, means the city of Portland, Oregon, including an area within an eight mile radius of the city limits and the city of Vancouver, Washington, including an area within a three mile radius of the city limits but extending as far east as to include the city of Camas, Washington.

(d) *Record-keeping provisions.* Every retail dealer selling fuel purchased from the Portland Fuel Pool and thus making a sale of wood fuel for which a maximum price is set by this order shall give the purchaser or his agent at the time of the sale an invoice or other memorandum of sale, which shall show:

(1) The date of sale.

(2) The name and address of the buyer and seller.

(3) The quantity of firewood sold.

(4) Description of firewood sold, in the same manner as it is described in this order. (This shall include the kind of wood, i. e. wet or dry, and length of pieces of wood).

(5) Place of sale. (If the price is dependent on place of delivery, then the place of delivery shall be stated).

(6) The total price of the wood.

On the invoice or memorandum, a separate statement shall be made of any discounts and of each service rendered, such as delivery, carrying and stacking, and the charge made for each such service.

The seller shall keep an exact copy of such invoice or memorandum for a period of two years and such copy shall be made available for inspection by the Office of Price Administration. Each invoice or memorandum covering fuel purchased through the Portland Fuel Pool and sold by a retail dealer shall be marked as follows: "Portland Fuel Pool—OPA Order G-9."

(e) *Drying slabwood.* If a retail dealer purchases green slabwood from the Portland Fuel Pool and dries it (and cuts it to 16" lengths if purchased in 4' lengths), the maximum retail price shall be the maximum price set forth in paragraph (a) (2) for the same size dry slabwood. Similar maximum prices may be charged for wood being dried by dealers who purchased the green slabwood through the former pool arrangement when operated by the Commercial Coal Sales Company.

(f) This order may be amended, revoked, or corrected by the Office of Price Administration at any time. Failure by the operator to comply with any of the terms or conditions of the order will be cause for revocation. Upon revocation for any cause the surplus monies, if any, less federal and state income taxes, if

any, shall be disposed of by the purchase and sale of a specified amount of firewood at specific prices such as will result in the complete dissipation of said surplus monies or as otherwise directed by the Office of Price Administration. The record-keeping provisions of this Order G-9 have been approved by the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

This order shall become effective August 28, 1944.

ELZEAR QUESNEL

Elzear Quesnel, Burlington, Vermont, in April, 1944, began construction on premises on the southeast corner of Clark and Grant Streets, Burlington, Vermont, without authorization from the War Production Board. The work consisted of remodeling a thirty-two room rooming house and the conversion of the same into fourteen apartments at an estimated cost substantially in excess of the \$1,000 limitation imposed by Conservation Order L-41. Mr. Elzear Quesnel admits this violation but denies that it was wilful and does not care to contest the issue of wilfulness and has consented to the issuance of this order.

Wherefore, upon the agreement and consent of Elzear Quesnel, the Regional Compliance Chief and the Regional Attorney, and upon the approval of the Compliance Commissioner, *It is hereby ordered, That:*

(a) Neither Elzear Quesnel, his successors and assigns, nor any other person shall do any construction on the premises on the southeast corner of Clark and Grant Streets, Burlington, Vermont, including putting up or altering the structure, except as has been approved by the Federal Housing Administration in reference to the apartments on Grant Street or unless hereafter specifically authorized in writing by the War Production Board.

(b) Nothing contained in this order shall be deemed to relieve Elzear Quesnel, his successors or assigns, from any restriction, prohibition, or provision contained in any other order or regulation of the War Production Board, except insofar as the same may be inconsistent with the provisions hereof.

(c) This order shall take effect on the date of issuance.
