§ 713.2 *County committee.* The county committee elected under the provisions of the regulations in this subpart shall be known as the Production and Marketing Administration County Committee, referred to in this subpart as the "county committee."

**PURPOSE OF COMMITTEES**

§ 713.3 *Purpose.* The purpose of the county committee shall be to administer, through community committeemen and other personnel responsible to the county committee, and in accordance with applicable laws, regulations, and official instructions, the provisions of sections 7 to 17 inclusive of the Soil Conservation and Domestic Allotment Act, the Agricultural Adjustment Act of 1938, the Federal Crop Insurance Act, the Sugar Act of 1948, and any amendments to such acts, and such other acts of Congress as the Secretary of Agriculture or the Congress may designate. The county and community committees shall not engage in any other activity.

**SELECTION OF COMMITTEES**

§ 713.4 *Method.* County and community committees shall be elected by farmers in accordance with the provisions of the regulations in this subpart.

§ 713.5 *Who may vote for committeemen and delegates.* Any farmer who is of legal voting age and who has an interest in a farm as owner, tenant, or sharecropper and any farmer not of legal voting age who is in charge of the supervision and conduct of the farming operations on the entire farm shall be eligible to vote for committeemen and delegates in the community in which he has such an interest if:

- (a) A payment or grant of conservation materials or services is or will be made with respect to the farm under the current Agricultural Conservation Program, or there is being carried out on the farm one or more of the current program practices approved for the State by the State Production and Marketing Administration committee, referred to in this subpart as the "State Committee";
- (b) Such farmer is eligible for a co-operator's loan or other price support;
- (c) Such farmer is eligible for a payment under the Sugar Act program; or

(d) Such farmer has a crop insurance contract with the Federal Crop Insurance Corporation.

In any State having community property law, the spouse of a farmer who is eligible to vote under the foregoing provisions shall also be eligible to vote.

§ 713.6 *Restrictions on voting.* Each eligible voter shall be entitled to only one vote on any one ballot in any election held in any one community or in the county convention. If the eligible voter has an interest in a farm in more than one community in the county, such voter shall not be entitled to vote in more than one such community in the county. There shall be no voting by proxy.

§ 713.7 *Determination of elective areas.* Each county shall be divided into local administrative areas, referred to in this subpart as "communities." The term "county" in the Territory of Alaska shall be the area so designated by the State committee. The boundaries of the communities shall be fixed by the State committee after considering any recommendations by the county committee. No such community shall include more than one county or parts of different counties.

§ 713.8 *Calling of elections.* Each election of farmers to the county or community committee shall be held on a date or within a period of time and at a place fixed by the State committee which will afford full opportunity for participation therein by all persons eligible to vote. Each such election shall be held in accordance with detailed instructions issued by the Assistant Administrator for Production of the Production and Marketing Administration, referred to in this subpart as the "Assistant Administrator." If the number of eligible farmers voting in any election of community committeemen is so small that the State committee determines that the result of the election does not represent the views of a majority of the farmers who were eligible to vote in such election, it shall declare the election void and call a new election.

§ 713.9 *Election of the community committee.* The farmers in the community who are eligible to vote in such community shall elect annually a community committee. The community committee shall be composed of three members, one of whom shall be elected as chairman and one of whom shall be elected as vice chairman. First and second alternates to the community committee shall also be elected to serve as acting members of the community committee in the order elected in case of the temporary absence of a member, or to become a member of the community committee in the order elected in case of the resignation, disqualification, removal, or death of a member. An acting member of the community committee shall have the same duties and the same authority as a member. Failure to elect the prescribed number of alternates at the regular election shall not invalidate such election or require a special election to elect additional alternates.

§ 713.10 *Election of delegate to the county convention.* (a) Except in any county in which there is only one community, the farmers in the community who are eligible to vote in such community shall elect annually at the community committee election a delegate to a county convention and an alternate to serve as acting delegate in case of the temporary absence of the delegate, or to become the delegate in case of the resignation, disqualification, removal, or death of the delegate. An acting delegate shall have the same duties and the same authorities as a delegate.

(b) In any county in which there is only one community, the community committee shall be the county committee.

§ 713.11 *Election of the county committee.* (a) The delegates elected pursuant to § 713.10 shall meet in a convention held before the close of the same calendar year in which they were elected to elect the county committee for the county. A majority of the delegates so elected and qualified to vote at the time of the convention shall constitute a quorum. A county committee of three members shall be elected, with one member elected as chairman and another member as vice chairman. At the same convention the delegates shall also elect first and second alternates to the county committee to serve as acting members of the county committee in the order elected in the case of the temporary absence of a member, or to become a member of the county committee in the order elected in case of the resignation, disqualification, removal, or death of any member of the county committee. An acting member of the county committee shall have the same duties and authority as a member.

(b) If the county agricultural extension agent for the county is not elected secretary to the county committee, he shall be ex officio a member of the county committee but shall not have the power to vote.

§ 713.12 *Vacancies.* (a) In case of a vacancy in the office of chairman of a county or community committee, the respective vice chairman shall become chairman; in case of a vacancy in the office of vice chairman, the respective third regular member shall become vice chairman; in case of a vacancy in the office of the third regular member, the respective first alternate shall become the third regular member; and in case of a vacancy in the office of the first alternate, the respective second alternate shall become the first alternate: *Provided*, That when unanimously recommended by the three members of the county committee as constituted under this paragraph or as constituted under this paragraph and paragraph (c) of this section, and approved by the State committee, the offices of chairman and vice chairman of the county committee may be filled from such membership without regard to the order of succession prescribed in this paragraph or the action of the delegates to the county convention.

(b) In case of a vacancy in the panel of delegates to the county convention, the respective alternates shall act as delegates.

(c) In the event that a vacancy, other than one caused by temporary absence, occurs in the membership of the county committee and no alternate is available to fill the vacancy, the State committee shall call a meeting of the delegates to the county convention to elect persons to fill such vacancies as exist in the membership of the county committee and in the panel of alternates, except as provided in § 713.28.

(d) In the event that a vacancy, other than one caused by temporary absence, occurs in the membership of the community committee and no alternate is available to fill the vacancy, the county committee shall cause an election to be held to fill such vacancies as exist in the membership and in the panel of alternates.

(e) In the event that a vacancy occurs in the panel of delegates to the county convention and the respective alternate is not available to fill the vacancy and a county convention has been called, the county committee shall cause elections to be held to fill such vacancies as exist in the panel of delegates and alternates.

[B. A. I. Order 383, Amdt. 12]

#### PART 76—HOG CHOLERA, SWINE PLAGUE, AND OTHER COMMUNICABLE SWINE DISEASES

##### CHANGES IN AREAS QUARANTINED BECAUSE OF VESICULAR EXANTHEMA

Pursuant to the authority conferred by sections 1 and 3 of the act of March 3, 1905, as amended (21 U. S. C. 123 and 125) sections 1 and 2 of the act of February 2, 1903, as amended (21 U. S. C. 111 and 120) and section 7 of the act of May 29, 1884, as amended (21 U. S. C. 117) § 76.26 in Part 76 of Title 9, Code of Federal Regulations, containing a notice of the existence in certain areas of the swine disease known as vesicular exanthema and establishing a quarantine because of such disease, is hereby amended to read as follows:

§ 76.26 *Notice and quarantine.* (a) Notice is hereby given that the contagious, infectious and communicable disease of swine known as vesicular exanthema exists in the following areas:

Maricopa County, in Arizona;  
The State of California;  
Hartford, Litchfield, Middlesex and New Haven Counties, in Connecticut;  
Bay and Dade Counties, in Florida;  
Androscoggin, Cumberland, Kennebec, Somerset, and York Counties, in Maine;  
City of Baltimore, in Maryland;  
Bristol, Essex, Hampden, Middlesex, Norfolk, Plymouth and Worcester Counties, in Massachusetts;  
Jefferson County, in Missouri;  
Bergen, Burlington, Camden, Gloucester, Hudson, Hunterdon, Middlesex, Morris, and Ocean Counties, in New Jersey;  
Clarkstown Township, in Rockland County, in New York;  
Council Grove, Mustang, Oklahoma and Greeley Townships, in Oklahoma County, in Oklahoma;  
Bucks, Butler, Delaware, Lehigh and York Counties, in Pennsylvania;  
Bristol, Kent, Providence, and Washington Counties, in Rhode Island;  
Pierce and Whatcom Counties, in Washington.

(b) The Secretary of Agriculture, having determined that swine in the States named in paragraph (a) of this section are affected with the contagious, infectious and communicable disease known as vesicular exanthema, and that it is necessary to quarantine the areas specified in said paragraph (a) and the following additional areas in such States in order to prevent the spread of said disease from such States, hereby quarantines the areas specified in paragraph (a) of this section and in addition:

Essex and Union Counties, in New Jersey;  
Montgomery County, in Pennsylvania.

*Effective Date.* This amendment shall become effective upon issuance. It excludes from the areas in which vesicular

exanthema has been found to exist, and in which a quarantine has been established:

Douglas and Hall Counties, in Nebraska;  
Bowie County, in Texas.

Hereafter, none of the restrictions of the quarantine and regulations in 9 CFR Part 76, Subpart B, as amended (17 F. R. 10538, as amended) apply with respect to shipments of swine and carcasses, parts and offal of swine from these areas.

The foregoing amendment relieves certain restrictions presently imposed that are no longer regarded as necessary to prevent the spread of vesicular exanthema. It must be made effective immediately to be of maximum benefit to persons subject to such restrictions. Accordingly, under section 4 of the Administrative Procedure Act (5 U. S. C. 1003) it is found upon good cause that notice and other public procedure with respect to the foregoing amendment are impracticable and contrary to the public interest and good cause is found for making the amendment effective less than 30 days after publication hereof in the FEDERAL REGISTER.

## TITLE 17—COMMODITY AND SECURITIES EXCHANGES

### Chapter II—Securities and Exchange Commission

#### PART 240—GENERAL RULES AND REGULATIONS UNDER THE SECURITIES EXCHANGE ACT OF 1934

##### SECURITIES EXEMPTED FROM REGISTRATION

Section 240.12a-5 (Rule X-12A-5) under the Securities Exchange Act of 1934 provides that whenever by operation of law or otherwise any instrument evidencing a security listed or admitted to unlisted trading privileges on a national securities exchange has come to evidence another security in substitution for or in addition to the original security, the substituted or additional security shall be exempt from registration under section 12 of the act to the extent necessary to render lawful the effecting of transactions therein on such exchange pending the effective registration of, or the granting of unlisted trading privileges for, such exempted security on the exchange. Among the securities temporarily exempted under this rule are new securities, or additional amounts of the original security, resulting from the reclassification of the original security by charter amendment, the declaration of stock distributions and stock dividends, and securities resulting from reorganization plans. Securities sold for cash or

securities issued under voluntary exchange offers are not entitled to the temporary exemption provided by this rule.

Heretofore, transactions on the exchanges in securities temporarily exempted by this rule could be made only on a "regular way" or "when distributed" basis because, by its terms, the rule was applicable only to issued securities. The rule has now been amended so that any unissued security may be admitted to "when issued" trading on a national securities exchange provided that upon the issuance of such security trading therein would be lawful under this rule and that all necessary action, other than the filing or recording of charter amendments or other documents with the appropriate State authorities, has been taken to authorize and assure the issuance of any such security.

This amendment makes it unnecessary for issuers or exchanges to effect registration under Regulation X-12D3 on Form 2-J (17 CFR 249.232) to permit "when issued" trading in such unissued securities. Form 2-J will, of course, continue to be used for the registration for "when issued" trading in certain unissued securities not entitled to the temporary exemption under § 240.12a-5.

*Statutory basis.* This action is taken pursuant to the Securities Exchange Act of 1934, particularly sections 12 (a) and 23 (a) thereof, the Commission deeming such action necessary and appropriate in the public interest and for the protection of investors and necessary to carry out the provisions of the act.

*Text of amendment.* Paragraph (a) of § 240.12a-5 is hereby amended by adding at the end thereof, immediately after subparagraph (3) the following additional undesignated paragraph:

§ 240.12a-5 *Temporary exemption from section 12 (a) of the act of substituted or additional securities.* (a)

(3) \* \* \*

Any unissued security shall be exempt from the operation of section 12 (a) of the act to the extent necessary to render lawful when issued trading in such security on a national securities exchange, provided (i) transactions in the security on such exchange would upon the issuance of the security be exempt under this rule from the operation of said section, (ii) the approval of stockholders of the issuance of such security has been obtained, if required, and (iii) all other necessary official action, other than the filing or recording of charter amendments or other documents with the appropriate State authorities, has been taken to authorize and assure the issuance of such security.

The Commission finds that the foregoing action will operate to the advantage of issuers and exchanges and that notice and procedure in accordance with section 4 of the Administrative Procedure Act with respect to such action is not necessary.

The foregoing action shall become effective March 20, 1953.

(Sec. 23, 48 Stat. 901, as amended; 15 U. S. C. 73w)

By the Commission.

[SEAL] ORVAL L. DuBOIS,  
Secretary.

*It is ordered*, That, pursuant to section 309 (b) of the Communications Act of 1934, as amended, the said applications are designated for hearing in a consolidated proceeding commencing at a date to be specified in a subsequent order upon the following issues:

4. To determine on a comparative basis which of the operations proposed in the above-entitled applications would best serve the public interest, convenience or necessity in the light of the evidence adduced under the foregoing issues and the record made with respect to the significant differences between the applications as to:

INTERSTATE COMMERCE  
COMMISSION

[No. 31219]

ATCHISON, TOPEKA AND SANTA FE  
RAILWAY CO. ET AL.

CALIFORNIA INTRASTATE RAILROAD FREIGHT  
RATES AND CHARGES

At a session of the Interstate Commerce Commission, Division 1, held at its office in Washington, D. C., on the 13th day of March A. D. 1953.

It appearing, that in Ex Parte No. 175, Increased Freight Rates, 1951, 281 I. C. C. 557, and 284, I. C. C. 589, the Commission authorized carriers subject to the Interstate Commerce Act parties thereto to make certain increases in their freight rates and charges for interstate application throughout the United States, and that increases under such authorizations have been made.

It further appearing, that a petition, dated January 30, 1953, has been filed by The Atchison, Topeka and Santa Fe Railway Company and 14 other common carriers by railroad, named in Appendix A to the petition, operating to, from, and between points in the State of California, averring that the Public Utilities Commission of the State of California has refused to authorize or permit petitioners to establish for the intrastate transportation upon their railroads in California increases in freight rates and charges corresponding to those authorized by this Commission and made by petitioners for application on interstate traffic in the proceeding above cited; such refusal being alleged in the manner and to the extent as more fully set forth in the said petition;

It further appearing, that petitioners allege that the refusal of the Public Utilities Commission of the State of California to permit the increase on intrastate traffic referred to in the preceding paragraph causes and results in undue and unreasonable advantage, preference, and prejudice as between persons and localities in intrastate commerce, on the one hand, and interstate commerce on the other hand, and in undue, unreasonable and unjust discrimination against interstate and foreign commerce, in violation of section 13 of the Interstate Commerce Act;

It further appearing, that there have been brought in issue by the said petition rates and charges made or imposed by authority of the State of California,

And it further appearing, that the Public Utilities Commission of California, on February 24, 1953, filed a reply to said petition and in view thereof the investigation hereinafter instituted responsive to the requirements of section 13 of the act is without prejudice to subsequent appropriate consideration on their merits of the arguments made in said reply.

It is ordered, That in response to the said petition, an investigation be, and it is hereby, instituted, and that a hearing be held therein for the purpose of receiving evidence from the respondents hereinafter designated and any other persons interested to determine whether the rates and charges of the common carriers by railroad, or any of them, operating in the State of California for the intrastate transportation of property made or imposed by authority of the State of California, cause or will cause, by reason of the failure of such rates and charges to include increases corresponding to those permitted by the Commission for interstate traffic in the proceeding cited above, any undue or unreasonable advantage, preference, or prejudice, as between persons or localities in intrastate commerce, on the one hand, and interstate or foreign commerce, on the other hand, or any undue, unreasonable, or unjust discrimination against interstate or foreign commerce; and to determine what rates and charges, if any or what maximum or minimum, or maximum and minimum rates and charges shall be prescribed to remove the unlawful advantage, preference, prejudice, or discrimination, if any that may be found to exist;

It is further ordered, That all common carriers by railroad operating within the State of California which are subject to the jurisdiction of this Commission be, and they are hereby made respondents to this proceeding; that a copy of this order be served upon each of the said respondents; and that the State of California be notified of the proceeding by sending copies of this order and of said petition by registered mail to the Governor of said State and to the Public Utilities Commission of California at San Francisco, California,

It is further ordered, That notice of this proceeding be given to the public by depositing a copy of this order in the office of the Secretary of the Commission, at Washington, D. C., for public inspection.

tion, and by filing a copy with the Director, Division of the Federal Register, Washington, D. C.,

And it is further ordered, That this proceeding be, and the same is hereby assigned for hearing April 13, 1953, at 9:30 o'clock a. m., U. S. standard time, at the offices of the Public Utilities Commission of California, San Francisco, California, before Examiner Claude A. Rice.

By the Commission, Division 1.

Acting Secretary.
