IS THERE LIFE ON EARTH?

Data from Mr. J. Ward, Pacific Gas and Electric Co., 9 July 1959,  
on the output of shaded street lights in California towns, not  
counting highways and freeways:

(The units are lumens; one lumen = 0.0015 watts)

Oakland: 90 million  
Emeryville: 3.5 million  
Piedmont: 2.5 million  
Berkeley: 22 million  
Richmond: 15 million  
San Leandro: 12 million
