Tuesday and Wednesday, March 24th & 25th, General Spring Opening of the Re-organized Store.

Easter Novelties from the Four Corners of the Globe.

The constant effort of the new firm to place this store in the front rank with the foremost retail houses of America and the fruit of its labor will be seen at the Opening on Tuesday. We have been six months perfecting our plans for enlarging and improving the business. We have changed and remodelled the big interior of the handsomest building in Brooklyn, and the result is a transformation. Whether the eye surveys the main floor, ranges along the aisles or beholds the large central rotunda, with its seven stories teeming with the choicest and freshest products of loom, brain and brawn, or whether you roam about the labyrinth of the immense warerooms from the basement to the top floor, but one impression is possible—namely, that you are in one of the largest, brightest, cheeriest and best appointed modern Retail Dry Goods Stores to be found in this country.

The World's Best Merchandise

is displayed throughout the store for your criticism. In every department, in every section, and on every counter can be seen the leading specialties, shapes and styles of beauty, appropriateness and helpfulness. The stocks are complete, fresh and new. Do not fail to see the nouveautés in Silks, Dress Fabrics and Wash Fabrics, the new Laces and Trimmings, the new Costumes, Silk Waists, Capes, Jackets, etc., etc.—An abundance of everything, an attractive display will greet the looker—the purchaser.

Our Millinery Department Is the Talk of Brooklyn.

It is like an unfolding rose, continually showing new freshness and beauty. We have ransacked Paris for the dainty creations in hats and bonnets now displayed in our show rooms on the second floor. We have the most fascinating assortments in the city, if we are to judge by the compliments of the ladies who daily crowd the department. Every hat and bonnet we sell brings new customers. Take a look at the beautiful display in our show windows and the Millinery salesrooms on the second floor before buying your hat or bonnet for the Spring.
