

GRIDIRON SERIES SHIFTS TO BAR-SUR-AUBE TODAY

Historic days for those who live Where Bar-sur-Aube breaks into fame, And has for guests two royal heads Who came to touch a football game.

And years from now those lads who play Where chalk-lines mark a field of green Will say, "But I have hit the line of glory When cheered on by a king and queen."

BELGIAN KING AND QUEEN TO WITNESS FOOTBALL GAME

Will Be Guests of General Pershing This Afternoon at Bar-sur-Aube

FIRST ARMY PLAYS S.O.S.

Both Clubs Have Won Victories in First Round of Series—Game Tomorrow

Three games in the series for the A.E.F. football championship have been played and three teams have been eliminated, leaving four in the field. Today the battle shifts to Bar-sur-Aube, where the First Army champions, the 35th Division, will meet the best team of the Second Army, the 7th Division. Tomorrow at the Velodrome, near Paris, the 89th Division, champion of the Army of Occupation, will play the eleven from the Intermediate Section, S.O.S.

A notable gathering will be on hand for the contest at Bar-sur-Aube today, including the King and Queen of Belgium, Gen. J. J. Pershing, Commander-in-Chief of the A.E.F., and their respective staffs. The story of the game is that a certain Belgian colonel, attached to the King's staff, saw one of the A.E.F. championship games, on a field entirely surrounded by howling, cheering doughboys, with three bands blaring, and with a snake dance between halves. The impression left upon the mind of the European Army officer, accustomed to the dignity of European court life and unused to the wild rooting characteristic of American sports, was vivid. He told the King about it. And so the Belgian monarch wrote General Pershing that he wished to witness an American football game. The Commander-in-Chief passed the word along to Col. Walt C. Johnson, Chief Athletic Officer, and he arranged for the game to be played at Bar-sur-Aube, which he will referee the battle himself.

89th DIVISION FROM S.O.S.

Outplays St. Nazaire from Every Angle—Stands Pat When Opponents Threaten

Stonewall Jackson in the heyday of his glory never fought with greater stubbornness, nor with greater success, than the eleven pigskin representatives of the Third Army in the game with St. Nazaire last Friday, when the men from the Army of Occupation triumphed over Eddie Hart's S.O.S. team, 13 to 0.

The consistently powerful attack and a defense that left nothing to be desired, were the two outstanding factors that contributed to the victory. And to these must be added the incisive play of the line, which secured the first touchdown, and who repeatedly out-punted the great Mahan. Two of his kicks were for 70 and 66 yards, respectively.

But the real feature of the game came shortly after the St. Nazaire team trotted out on the field for the second half with the score standing 7 to 0 against it. Immediately the game changed to an even matter up and land a victory. St. Nazaire took the ball and by a series of rushes and end runs, planted it within one foot of the 89th Division goal line on a first down. It was a 1,000 to 1 bet that St. Nazaire would make a touchdown but the hefty line of the team from the Rhine River, the attack apparently, dug in, as it were, repulsed successive onslaughts of the enemy, and regained the ball.

St. Nazaire's rosters, and the players themselves, read the handwriting on the wall, and as a result, they played an offensive with renewed pep while St. Nazaire lost heart. Shortly afterward, the 89th worked the ball down to the St. Nazaire eleven yard line, and then "Pottys" Clark went around the end for the second touchdown.

G.H.Q. IS S.O.L. IN FIRST GAME

Intermediate Section Eleven Cleans Up, Using White Wash With Telling Effect

The S.O.S. got even with G.H.Q. Saturday for all the drilling and the courts martial and the long, dry, often unending rain, with a great day for it, including the second "blows." Briefly summed up it was the worst defeat suffered by General Headquarters in the present war—a 25-0 blow from the rear.

The whitewash was administered by 11 grinning youngsters of the Intermediate Section, S.O.S., recruited for the fray from Gisors, St. Armand, Bourges and Tours.

Time and again the field general leading the G.H.Q. aggregation ordered a charge toward the opponents' goal line but all the heroism and courage of the champions proved futile against the powerful defense of the winners.

Both teams resorted to the old style of play and confined their efforts to attempts to gain ground with hard, straight football. Peterson scored the first touchdown in the opening quarter, plowing through the line like a Ford tractor. He registered another in the second quarter, and a third in the third after Kelly had skirted the field for a 25-yard gain.

Champions' representatives plainly showed the lack of practice, due to the fact that the team had only been playing together five days and under the circumstances their showing was very creditable.

BOXER MENTIONED IN TWO INDORSEMENTS; ON BOOKS AS AWOL

The following clipping and correspondence is interesting: From the New York Police Gazette: "Angie Hunter, the boxer (S.S.) mentioned, who has been fighting overseas with the 35th Division, is mentioned in two indorsements. He was previously a top sergeant and such work in capturing major German tanks and second lieutenants. In a letter he says that he is in the right swing on the German 'chips'."

From the Stars and Stripes to Officer in Charge, Central Records Office: "I request that you be furnished information as to whether or not the name of Angie Hunter, mentioned in the indorsements, is on the list of missing men. Also, if possible, any data when decorations were conferred and particulars regarding same."

From Central Records Office to Commanding General, 35th Division: "Attention is directed to the fact that the name of Angie Hunter, mentioned in the indorsements, is on the list of missing men. Also, if possible, any data when decorations were conferred and particulars regarding same."

S. O. S. FIGHTERS FLOCK TO TOURS

Championship Boxing to Be Held There Week Commencing Monday

The eyes of soldier-sport-fans all over the American E.F. will be centered next week on the championship boxing tournament of the S.O.S., which opens at Tours on Monday. The bouts will last a week with two fights going on at all times in two big arenas.

The fighters began to arrive yesterday, and are being quartered in four barracks reserved for the purpose. While in Tours they will be on attached service with the First Casual Athletic Company, under command of Gunnery Sergeant O'Neil, an old time fighter and once sparring partner of John L. Sullivan, who will "top" the company. Provisions have been made for training and working out, so that the athletes can keep in good condition, while awaiting their turn to enter the ring. A separate mess, run as a training table, will be served.

Boxing teams of ten men each with four trainers and two others will represent the nine athletic sections. The preliminary bouts will begin Monday morning at 9:30 and the morning session continuing until 11:25. After an intermission for lunch the first afternoon round will start promptly at 1:30, and the morning will continue until 4 o'clock. Mess will be served at 1:30, and the evening bouts will commence at 6:30 and finish at 9:30.

Winners in the seven classes will compete Saturday night in the finals for the championship of the S.O.S. The championship will be fought at Tours for the A.E.F. championship finals in Paris.

A staff of nine judges has been picked for the bouts, to work in relays. The referee will be Capt. John J. Fitzsimmons, 11th Marines, who has charge of the tournament; Capt. James McVey, who trained Jim Corbett for his fight with John L. Sullivan; and later with Fitzsimmons; Sgt. Mike O'Dowd, middleweight champion of the world, who won his last bout with a Y.M.C.A. secretary.

The two large arenas are in readiness for the fights. There are three regulation, 24-foot rings and two non-regulation for spectators. Admission will be free on the basis of first come first served, although it may be necessary to make different arrangements for the final Saturday night.

Preliminary bouts will consist of three rounds of three minutes each with one minute intermission, and the finals will consist of five three-minute rounds with one minute intermission. All bouts will be held each morning the boxers will go on the scales. They will be allowed a halfway of one pound over that of the class in which each is entered. A.A.U. rules will govern.

PARIS BASKETBALL LEAGUE STARTS PLAY

Chateau-Thierry Five One of Seven Clubs Included in Organization

Seven basketball teams recruited from organizations in and around Paris have been taken into the league, which is being organized by the American Peace Conference and Chateau-Thierry. The Chateau-Thierry quintet, which is the league's nucleus, is located in the town of Chateau-Thierry, which is situated on the map made the Paris clubs its nearest neighbors.

Capt. A. H. Muir, athletic officer for the District of Paris, has assigned Lieut. M. K. Greig to supervise the circuit. All games are played either at the Gymnasium Voltaire or at Overall Park.

The schedule is as follows: March 22—Overall Park, 8:00 p.m. (Chateau-Thierry at Gymnasium Voltaire); 24—Overall Park, 8:00 p.m. (Chateau-Thierry at Gymnasium Voltaire); 25—Overall Park, 8:00 p.m. (Chateau-Thierry at Gymnasium Voltaire); 26—Overall Park, 8:00 p.m. (Chateau-Thierry at Gymnasium Voltaire); 27—Overall Park, 8:00 p.m. (Chateau-Thierry at Gymnasium Voltaire); 28—Overall Park, 8:00 p.m. (Chateau-Thierry at Gymnasium Voltaire); 29—Overall Park, 8:00 p.m. (Chateau-Thierry at Gymnasium Voltaire); 30—Overall Park, 8:00 p.m. (Chateau-Thierry at Gymnasium Voltaire).

89TH TRIMS 90TH AT BASKET-BALL

The 89th Division basketball team won the first game of its season's schedule when it defeated the 90th Division, 24 to 22, at Wellen, Germany.

TWO INDIAN GRIDIRON STARS OF SECOND ARMY

American are all Indians, more or less, when they don football armor and get out on the gridiron but the 8th Division eleven, which was eliminated by a nose in the Second Army pigskin race, boasts two real aborigines in Pvt. Tom Neekles and Sgt. Redmond. Neekles, who for three years running made with Jim Thompson on the famous Catholic team, and Bender, who, by the way, is a brother of "Chief" Bender, the great baseball pitcher, made his mark with the Haskell Indians. Their work during the recent championship games in the Second Army gives additional weight to the oft-repeated statement that the Redskins is a born football player.

CRACK POLO PLAYERS AND MANY NOTED HORSEMEN IN REMOUNT SERVICE RANKS

If anyone should care to take the time to go through the list of names of the 500 officers and 14,000 enlisted men in the Remount Service, of which Col. F. S. Armstrong, Cavalry, is the chief, there would be found a galaxy of start in every branch of sport in which the horse plays a part.

A polo team could be organized overnight that would be hard picking for the best of clubs; enough good riders could be secured to make a good showing either on the flat or over the jumps. It would also be possible to get enough trainers to take care of enough strings to provide a race meeting.

There are also enough show riders in the Remount Service to make a creditable showing on the tank in any ring. If a wild west show was needed to complete an entertainment, enough broncho riders could be secured to give a crowd all the thrills. During the war these horsemen did not have much time to devote to keeping in shape for future contests. All of them had their hands full seeing to it that their horses were fed, exercised and the stables and corrals kept in good shape.

The work of the Remount Officers does not stop with the depots. Some of the best work done in the Remount Service in France was with combat troops at the front. The Remount Officers did some splendid missionary work among green troops in teaching them the art of caring for animals in the field under the most adverse circumstances. This missionary work was none too easy in those days either.

One passing through the Remount Depots in the A.E.F. would be surprised if told that the 54th Pioneer Infantry is the latest unit to cast its hat into the athletic ring of the Army of Occupation, and in a short time should be able to give its rivals in the Third Army an interesting tussle for A.E.F. championship honors.

The 54th Pioneer Infantry is the latest unit to cast its hat into the athletic ring of the Army of Occupation, and in a short time should be able to give its rivals in the Third Army an interesting tussle for A.E.F. championship honors.

By a splendid exhibition of team work Company B finally won out 1 to 5, before a crowd of about 2,000 Yanks and Germans.

Company B is anxious to play other soccer football teams in the Third Army, and will meet all comers, first come first served.

WOMEN MANAGES BEAU DESERT BOUTS

Tommy McFarland may have been floored by the interview with the lady boxing promoter at Trier, according to the story which heched in a paper recently, but had the little scrapper asked to see the fistie manager of the Beau Desert Hospital, near Bordeaux, he would have gone down over the head of the referee for the count.

Under the personal direction of Miss Hamilton, an Oberlin College girl with the American Red Cross, boxing has been a regular feature at the Beau Desert since it was founded for the past six months. Miss Hamilton has been presenting such fast cards she has earned the respect, admiration and respect of the male fight managers at the base.

While the work of Miss Egie Rahman, of Los Angeles, as a boxing promoter at the Beau Desert recreation club, at Hospital 12, Trier, is not to be underrated, Beau Desert lays claim to having had the first lady boxing promoter in the A.E.F. in Miss Hamilton, who, by the way, is also interested in other women's athletics.

But looking at the proposition from another angle, we have to doff our old chapeau to these splendid American women pugilists who are doing so well in a strange, though friendly, land less irksome.

Women's light managers for the A.E.F. studies by Henry Walker, what will they be running next?

355TH INFANTRY CAPTURES SEVEN FIRSTS IN MEET

Proves Supremacy Over Best Track Material in 89th Division

Kendall Finishes Ahead of Big Field in Mile Run—Hildebrand Stars in Jumps

Romping in with a clear margin of 20 points over its nearest competitor, the 355th Infantry easily won the track championship of the 89th Division in a meet held on the Golden Barracks parade grounds in Trier, Germany.

The doughboys rolled up 37 points, followed by the 314th Engineers with 17, the 340th Machine Gun Battalion with 16, and the 352d Infantry with 14.

The showing of the winners was remarkable, in that they captured seven firsts, one second and one third in a program of twelve events, proving especially strong in the distance runs and dashes. Kendall took the mile run; Blackburn captured the 100-yard dash; Hendrix annexed the 400-yard run, and Carpenter landed ahead of all competitors in the standing broad jump.

The other events won by the 355th were the mile and the 880-yard relays and the tug-of-war.

Hildebrand, of the 314th Engineers, proved to be the individual star of the meet. He won first place in the running broad and high jumps, third place in the standing broad jump, and second place in the shot put, thereby scoring the greatest number of points annexed by any single competitor.

The Summary: Mile Run—First, Kendall, 355th Inf.; second, Foster, 355th Inf.; third, Paulsen, 355th Inf. 25:25. 200-Yard Dash—First, 355th Inf.; second, 340th P.A.; third, 355th Inf. 4:40. 400-Yard Dash—First, 355th Inf.;
