Why a Book of these "A. B. A." Cheques is the handiest way to carry Travel Funds

American Bankers Association Cheques are readily accepted by hotels, railroad and steamship companies, and the best merchants. This makes them as convenient to use in payment of travel bills as coin or currency.

Another convenience is in the simplicity of identification. All that is necessary is the countersignature of the owner in the presence of the person accepting the cheque.

The convenience of a wallet containing convenient denominations of \$10, \$20, \$50 and \$100 makes the cheques easy to carry.

They are the safest travel or emergency "money" also.

Get Them at Your Bank
Or write to Bankers Trust Co., 16 Wall St., for information.
