Unconventional portrait of a gentleman getting his first glimpse of one of my new Muffs o' Leather.

YOU will see these smart skating sets wherever fashionable people gather, these new little Muffs o' Leather of mine, with their brilliant hues and their contrasting furs, made up in the fashionable melon and barrel shapes and lined with silk. With them come smart hats to match and fur scarfs to harmonize with all.

It is the newest note of style, carried out by the John Ruszits Fur Company from my original sketches.

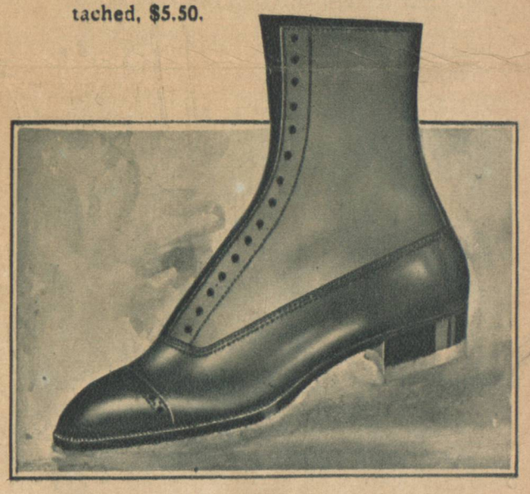
SPECIAL winter-wear WALK-OVER shoe styles

WITH
O'Sullivan's Heels
OF
new live rubber already attached

The illustration shows one of the latest Walk-Over models—a shoe which is especially attractive in appearance, made of fine leather in a weight which is comfortable both indoors and out, yet heavy enough to withstand rough winter usage.

Essentially a gentleman's shoe—quiet dignity is given by having O'Sullivan's Heels of new live rubber already attached, $5.50.



The Tramp Model is a winter boot for the active woman. It is trim, light enough for comfort yet heavy enough for country wear, golf, tramping.

The addition of O'Sullivan's Heels of new live rubber gives insurance against the sharp shocks on city pavements, which are so harmful to the nervous system. Price, $4.50.

All of us who are about much during the winter know the necessity for a hardy, comfortable shoe. This Walk-Over model is designed for wear!

O'Sullivan's Heels of new, live rubber give added comfort and protect the wearer from that tired, aching feeling in the back of the head which comes from the hammering of hard leather heels on city pavements. Price $4.50.
