Combining the season's two smartest ideas—  
Skating—and Leather.

Attractively Priced  
**Muffs o' Leather**  
All rights fully protected.  
—trimmed with fur

THE winter fashion season  
developed one new and  
striking note,—the use  
of Leather in Suits, Coats and  
Hats. Whether it be militar-  
ism, aviation or skating that  
provided the inspiration little  
matters,—the fact is that  
Leather is the newest and  
smartest novelty.  
Rich in color and subtle of  
texture, it lends itself to the  
hands of the designer in many  
striking ways.

One of the smartest of these is my new Muff o' Leather, with Hat and Chin-  
Collar to match.

Until you see them you cannot appreciate the beauty of these chic little sets—  
the Leather of vividly rich colorings, strikingly trimmed with fur. There is  
style in every line and tone, and they lend an accent of fashion to the dull-  
est, dreariest costume.

Muffs o' Leather fur trimmed with Hat and Collar to match if you wish, com-  
plete the costume in a way that is most pleasing.

With your skating suit, try the strik-  
ing Tommy Atkins Scarlet trimmed  
with skunk or Beaver, stunning white  
Kid trimmed with Beaver, Skunk or  
Ermine or dainty Belgian Blue,  
trimmed with Fur to match your  
costume. On the ice, in the motor,  
on the Avenue, wherever smart  
women gather, there will be seen

these novel creations of fur and  
leather. These sets will win at sight  
the favor of the select few who have  
the discerning taste to recognize a  
smart accessory "on sight." Those  
women of discerning taste will get  
them now—those who follow the  
leaders will have them next year and  
the year after.
