Resumption of Our Special "EXPORT" SALE

One of the worst freight booms in the history of New York City is now lifting, and we are receiving the delayed shipments of the superb Refrigerators which were built for the finest export trade, but which we declined to ship abroad because of the deplorable export conditions.

We therefore, in order to keep faith with the public, will resume this special Export Sale beginning to-morrow (Monday) morning at 8 o'clock.

As our export overstock was radically diminished during our recent special sale you will have to act quickly if you wish to be sure of securing one of these rare bargains. In every respect the refrigerators we now offer are the finest of their kinds made in our factories.

FOR FUTURE DELIVERY.

On a small deposit we will hold your refrigerator for future delivery. If you cannot call, write or telephone for our handsome catalogue. We are the manufacturers, not middlemen.

WHITE ENAMEL REFRIGERATOR CO.
