You Must Act Quickly!

The world-famous Bohn Syphon Refrigerators at special marked-down prices! The reasons are simple: We had manufactured a large line of our best models for shipment abroad, but on account of the unusual export conditions we decided last fall to offer these superb Refrigerators at special reductions, rather than carry them over the winter. The blockade in the Jersey freight yards held up part of our shipments from our factory so that the sale had to be suspended at that time, but now the blockade has lifted.

These special prices will seriously interfere with our regular trade at our very best season, but to the many people who were disappointed last fall this special offer, at reduced prices, is made for a short while only.

BOHN SYPHON REFRIGERATORS

are the standard of the world to-day in scientific refrigerator construction. The dining cars and refrigerator cars on practically every railroad in the land are equipped with the Bohn Syphon, which provides rapidly circulating, dry, pure, cold air with consequent smallest ice consumption, lowest temperature (49 degrees) of any refrigerator built, and complete absence of contaminating odors or flavors.

Reductions Average 25% from list prices. All sizes, in both wood and white porcelain exteriors, are reduced.

FOR FUTURE DELIVERY. On a small deposit we will hold your refrigerator for future delivery. If you cannot call, write or telephone for our handsome catalogue. We are the mfrs.

White Enamel Refrigerator Co. of N. Y., 53 West 43d St. (Phone Bryant 7817.) Open Tuesday and Friday evenings till 10.
